*Chaplain Kapaun Memorial
High School
Wichita, Kansas*

In Memory Of

Mr. William A. Doyle

Teacher, gentleman, and coach--these are the words by which Mr. William A. Doyle is remembered at Kapaun High School.

Mr. Doyle was born on November 19, 1906, on the Doyle farm east of Douglass, Kansas. Mr. Doyle grew up there and graduated from Douglass High School, then attended Kansas State College, graduating in 1933.

Mr. Doyle came to Kapaun in September of 1957 to take up teaching and coaching duties. Mathematics,

science, and physical education were the subjects which he taught to the Kapaun students. As track and wrestling coach he acquired a three year record of fourteen wins, fourteen losses, and one tie.

On April 23, 1960 Mr. Doyle was stricken with a fatal heart attack while he was driving home.

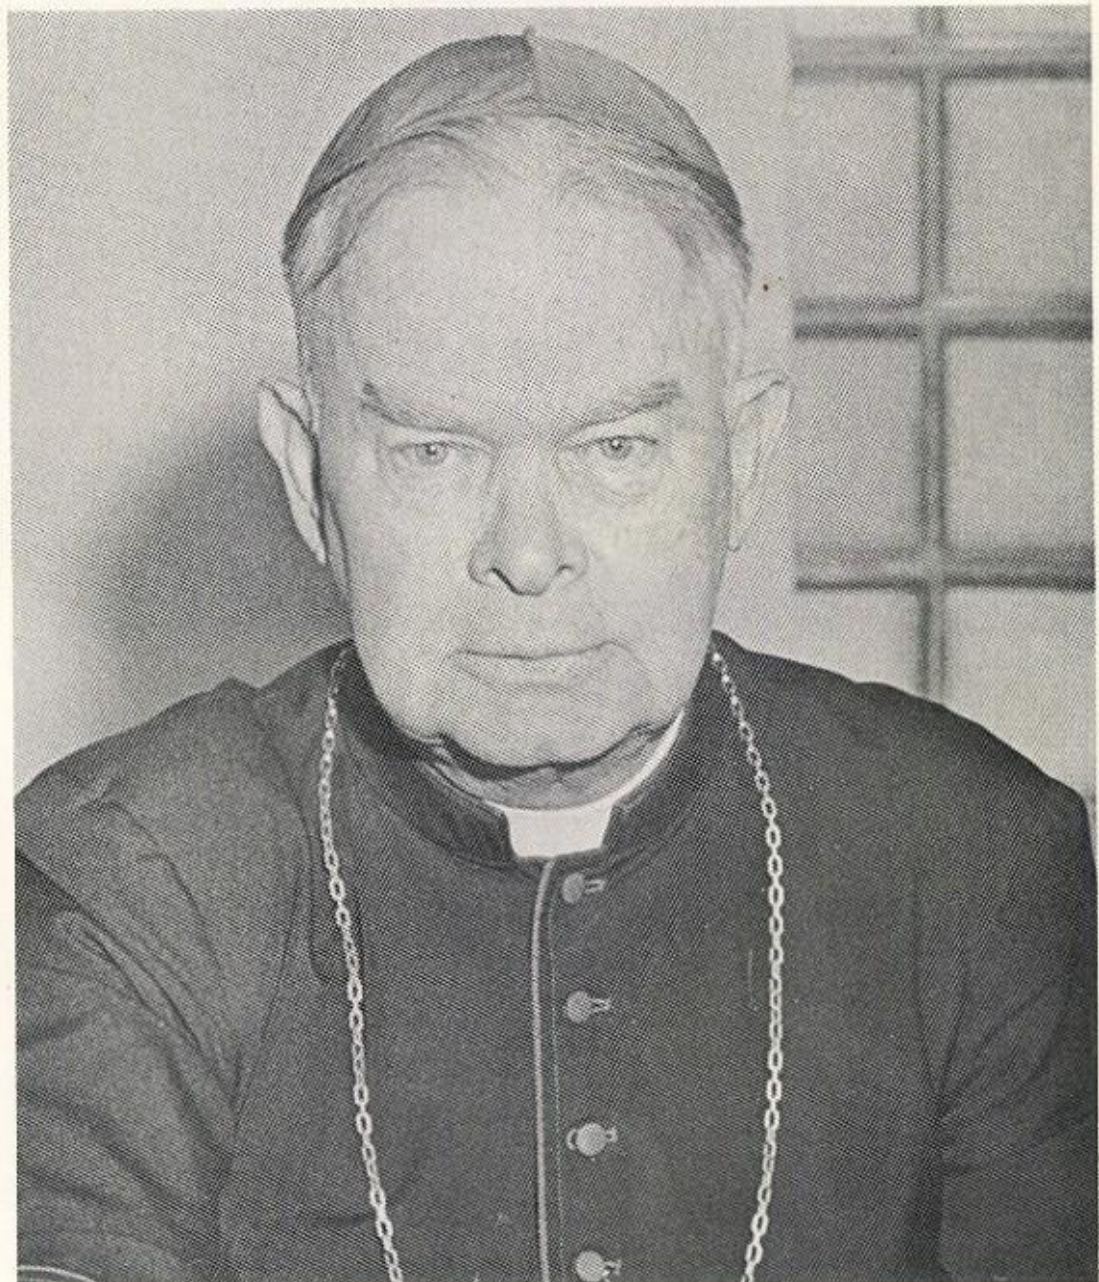

We edit this yearbook with a perpetual memory of Mr. William A. Doyle---truly a fine teacher, gentleman, and coach.

FOREWORD

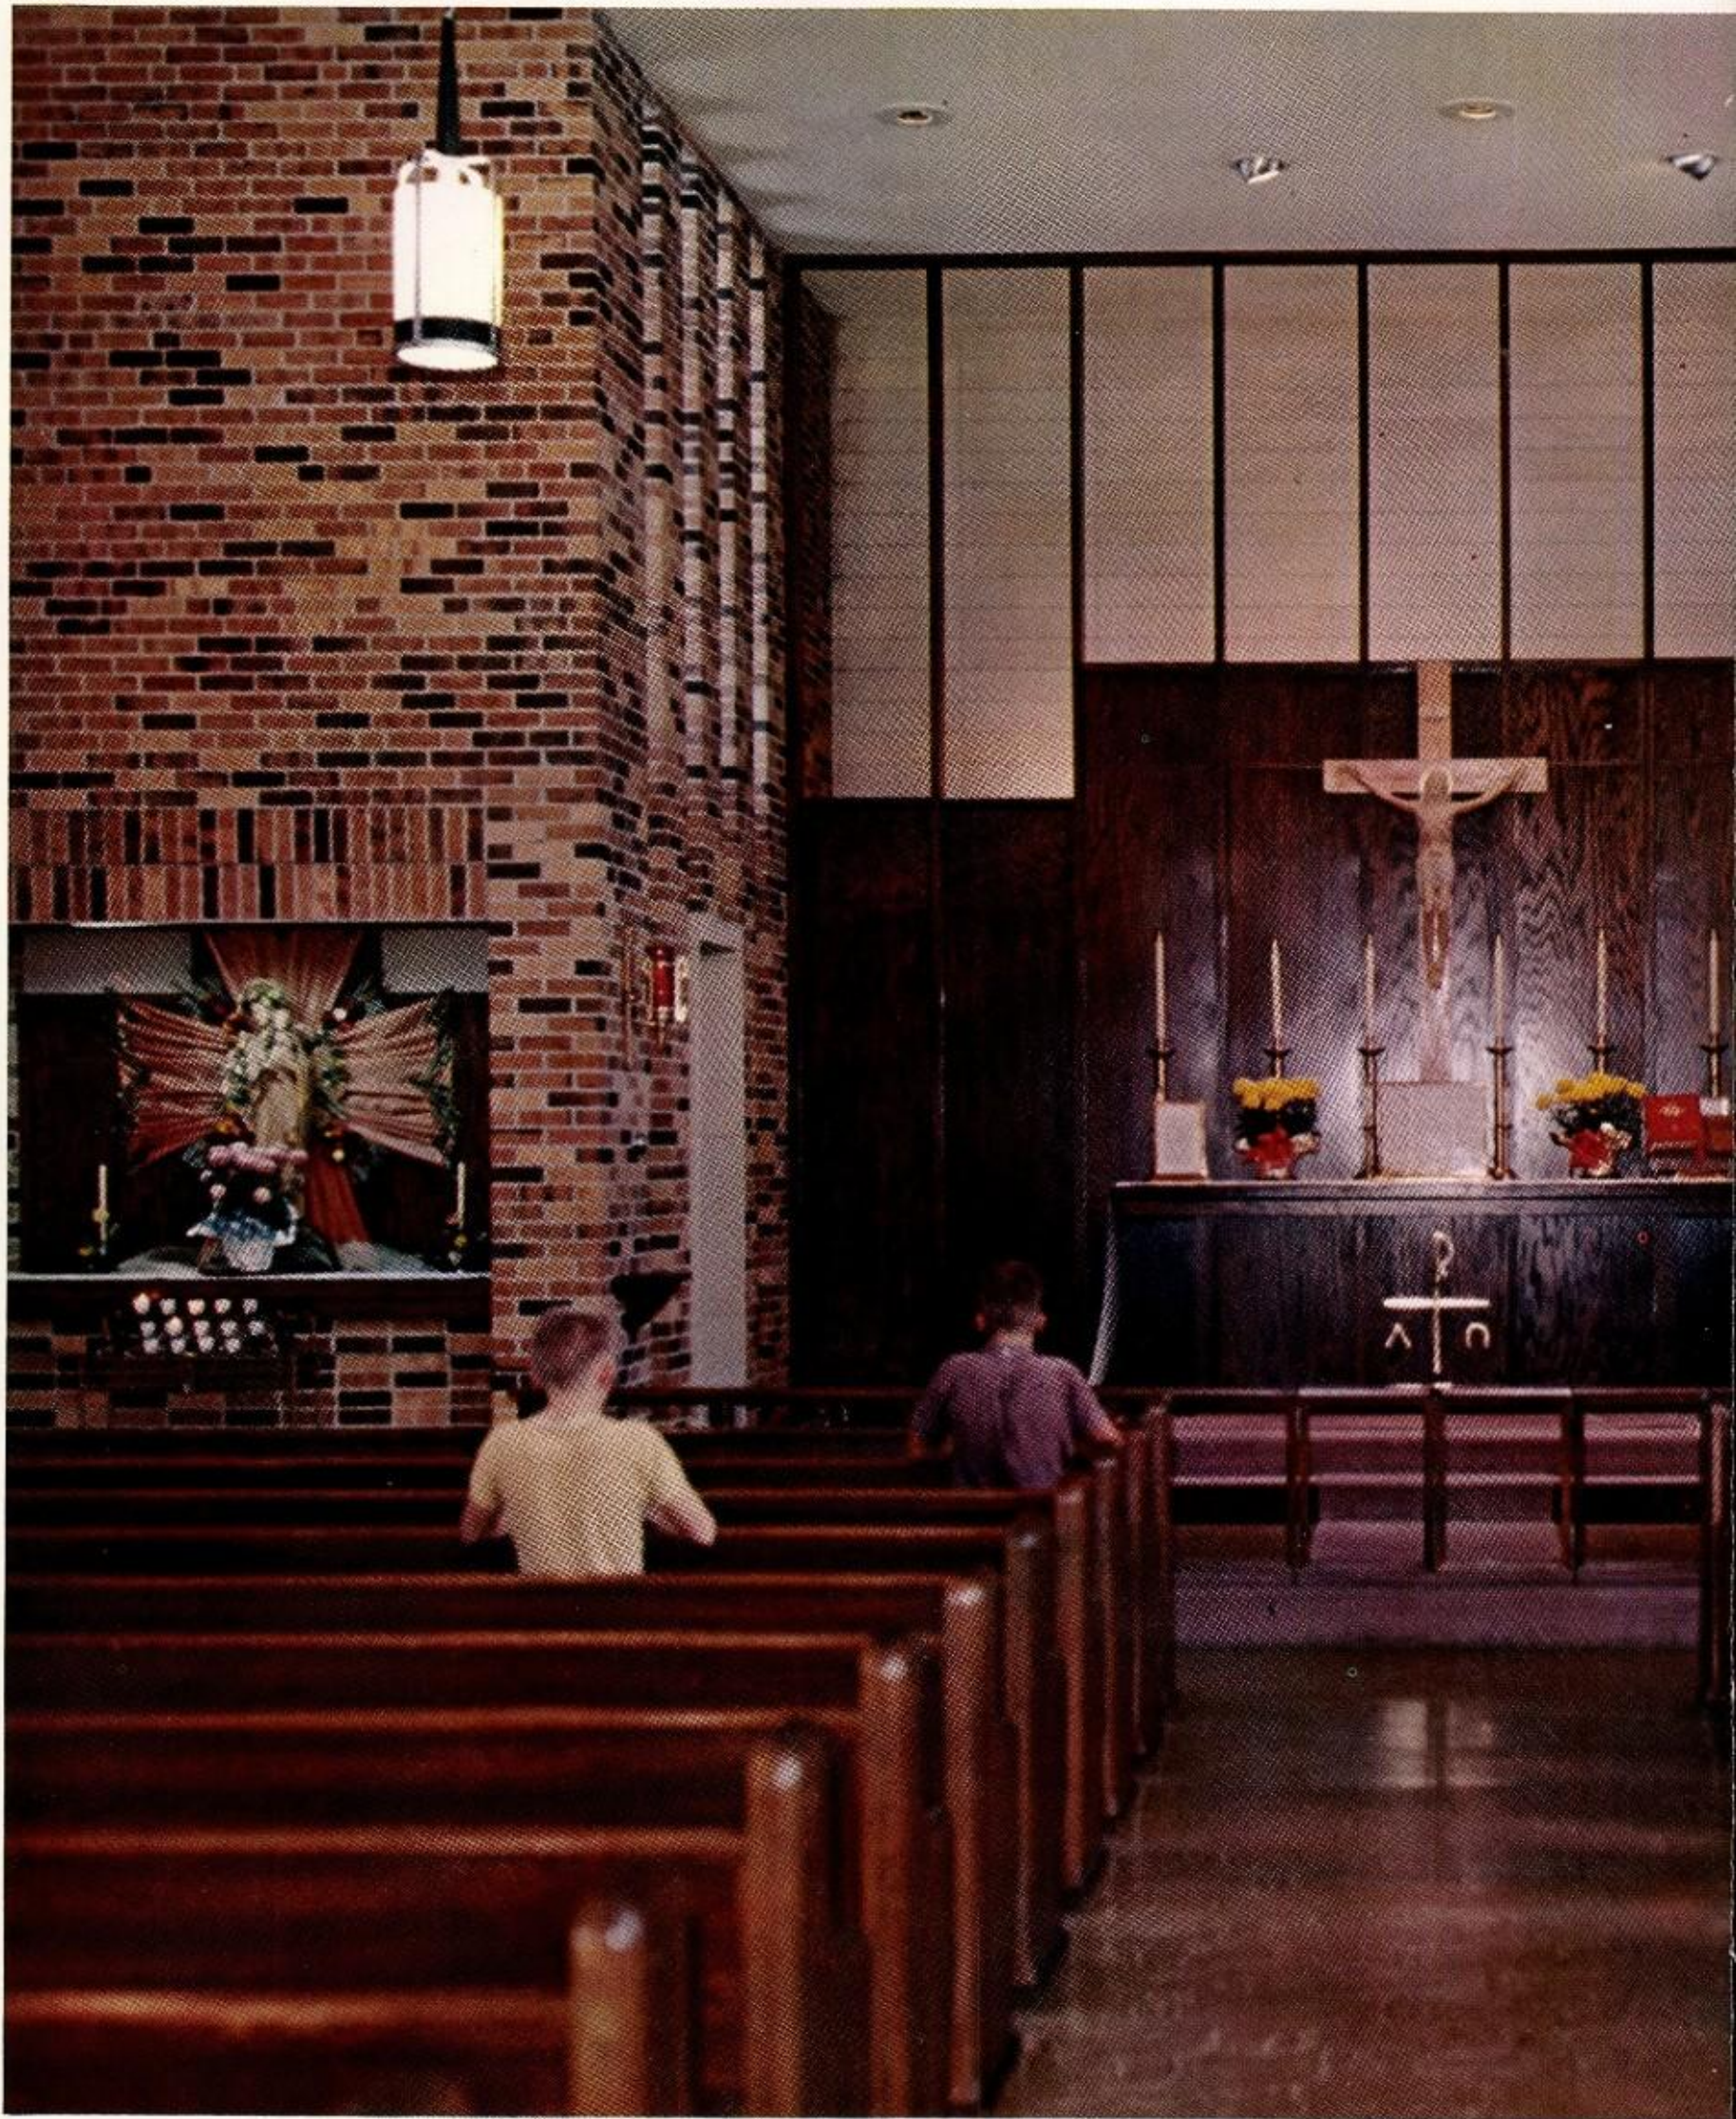

Progress in a three-fold manner symbolizes the goals of a successful high school. Growth of the high school facilities, growth of the faculty, and growth of the student body--all these are key-notes in the program of our high school. The dreams of the future can best be realized by the successful combination of the traditions and manners of the

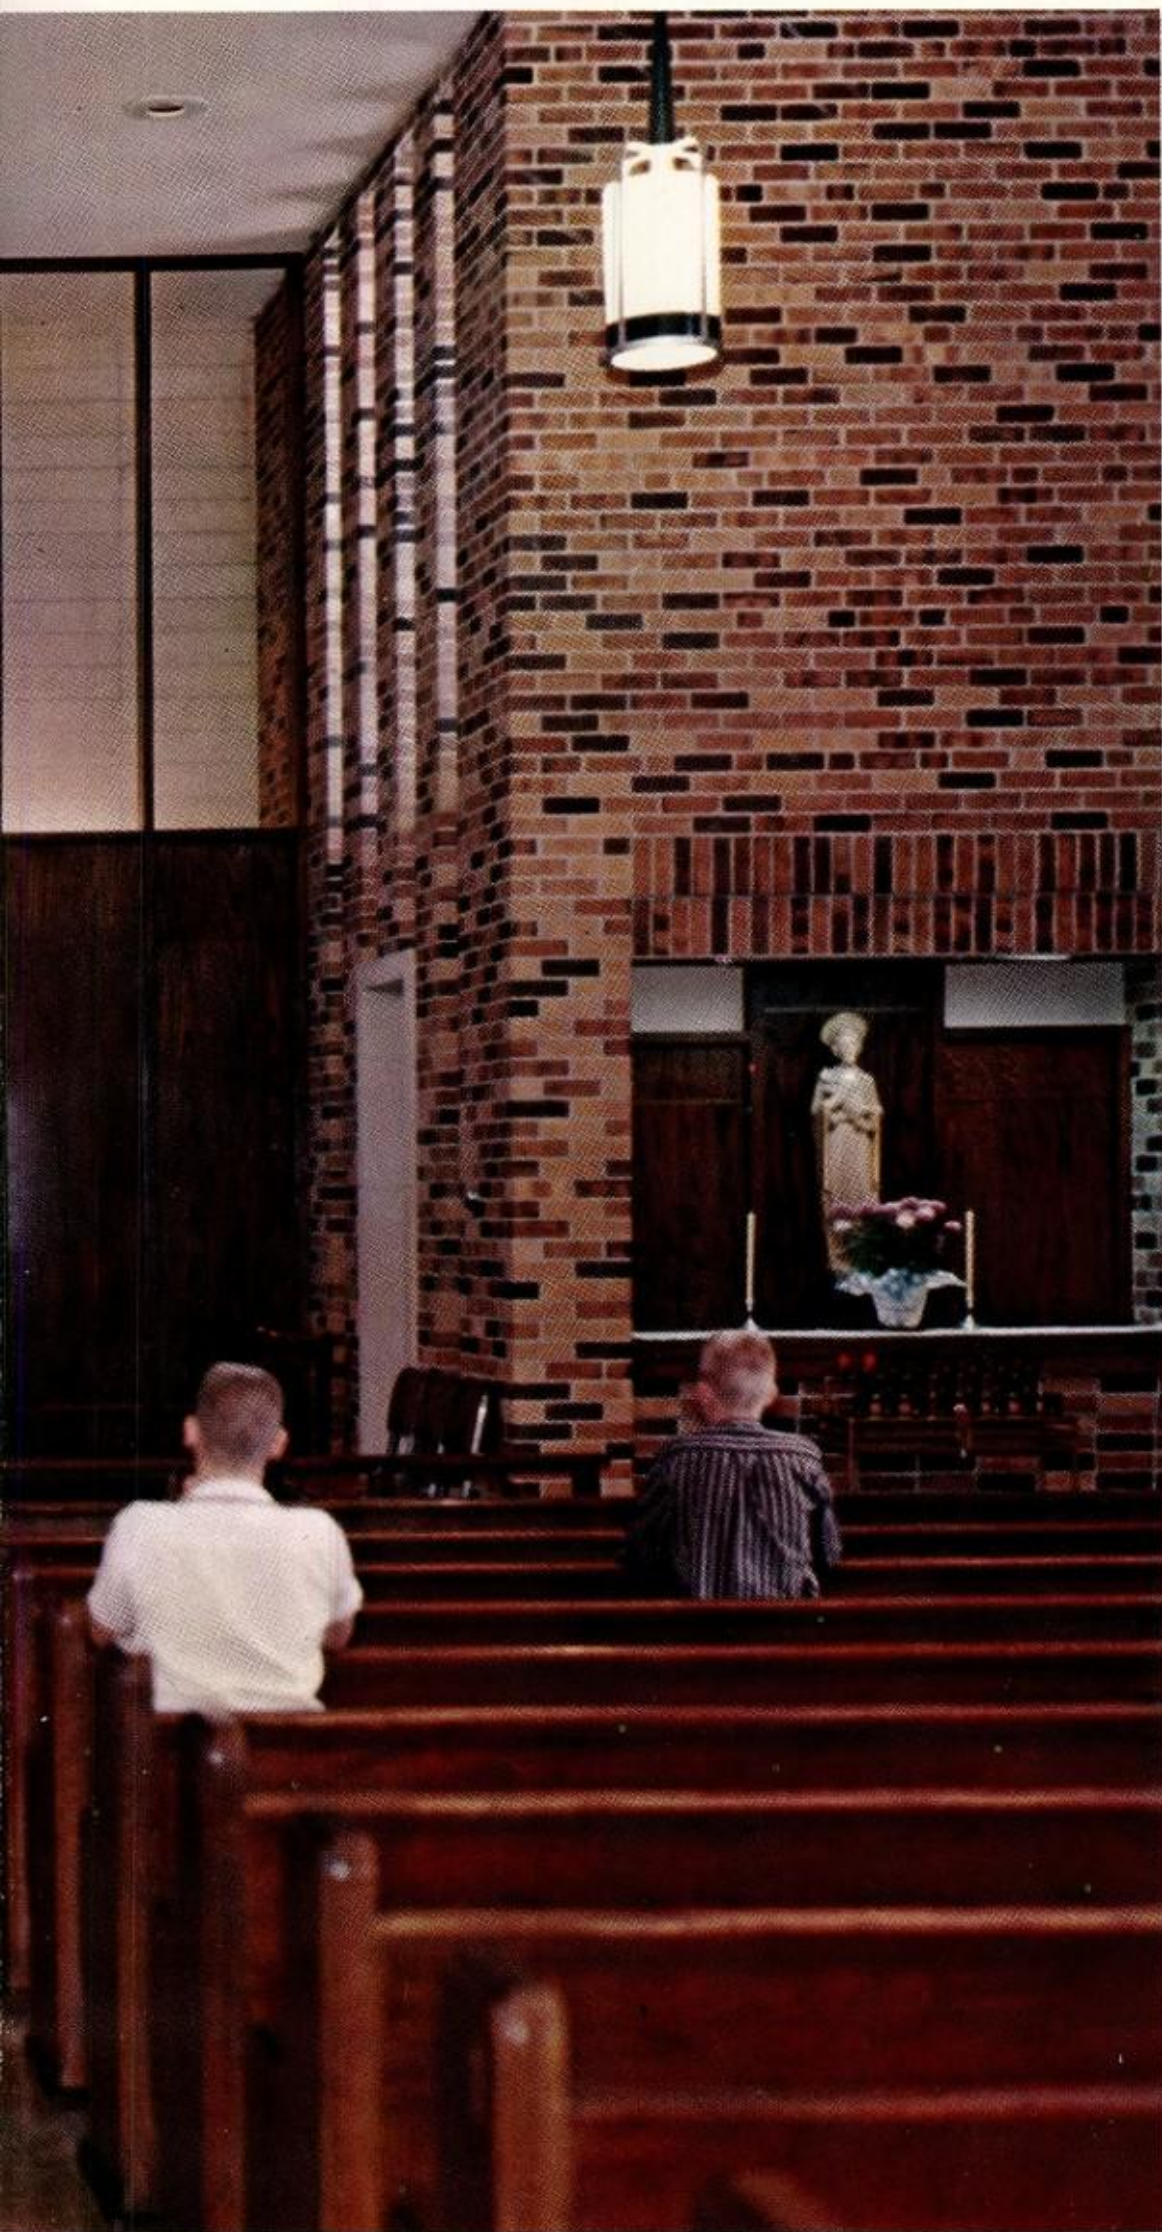

past, with a constant eye toward that which is new in the realm of ideas and material objects.

In keeping with these goals of our progressive high school is the 1961 CRUSADER. In layout, copy, and photographic display this theme was planned, produced, and presented to you.

Most Reverend Mark K. Carroll S.T.D. Bishop of Wichita

Our Guides Into The Future

Each young man who receives his diploma this May will be filled with a certain amount of pride. His achievement has been gained under the watchful guidance of the priests, scholastics, and devoted laymen on the Kapaun faculty.

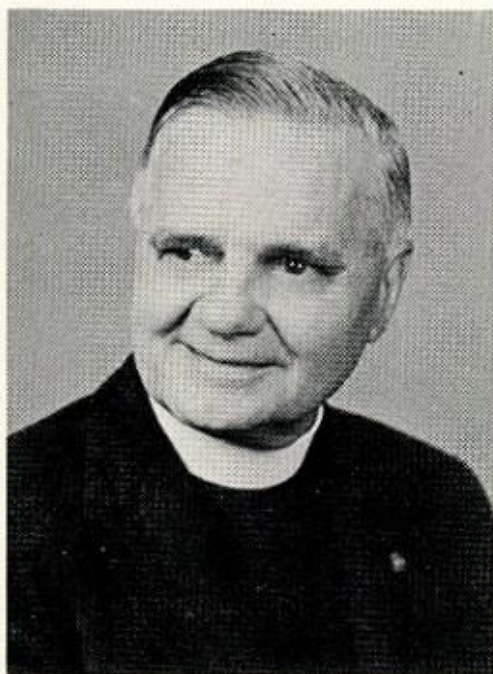

Each student has completed a truly Catholic liberal education. His education contained a four-year course in reading and writing his own language. It included algebra, geometry, and, for the more talented, advanced mathematics. Scientific interests were stirred in the courses in biology, physics, and chemistry.

All students took a course in World

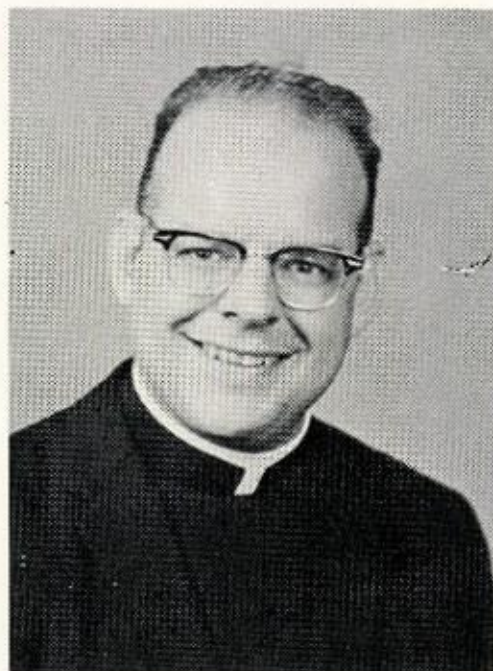

History and another in American History. As more mature students, they studied the American political system. Foreign languages offered to the students were Latin, Greek, and Spanish.

The Catholic outlook toward life was given in the religion course. A further opportunity for deepening their Catholic faith was given in assisting at the sacrifice of the Mass.

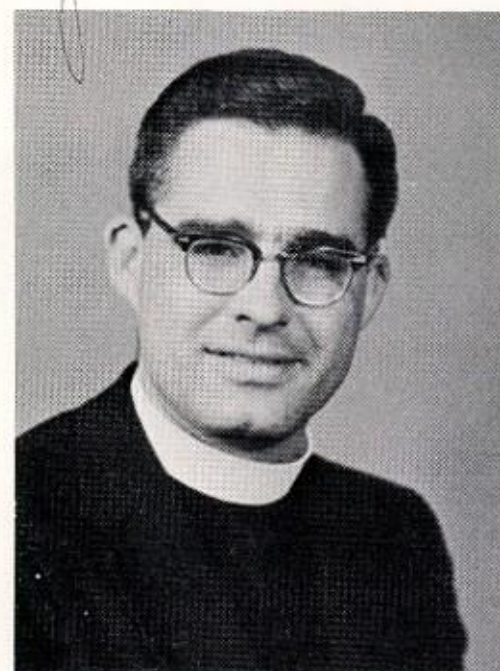

Each one of these seniors has had the opportunity to develop his talents under the inspiring leadership of the Kapaun faculty so that his life may be a truly Catholic one.

STUDENT BODY

Patrick Weigand, President

SENIORS

The "Men of 61" are fortunate in having for their president one of the most capable leaders that has passed through the doors of Kapaun High School, Patrick Weigand. Pat has been a class officer since his initial year at Kapaun. Pat was also a member of the intra-city student council.

On the spiritual side, Pat has been an active member of the Sodality. Scholastically, he has received first honors as a freshman and a sophomore and has also been a member of the Honor Society. Pat has distinguished himself in numerous extracurricular activities. He was a member of the golf team, a cheerleader, the feature editor for the HERALD, and a Kapaun Thespian. These achievements provide sufficient proof of the real value of Patrick Weigand to the senior class.

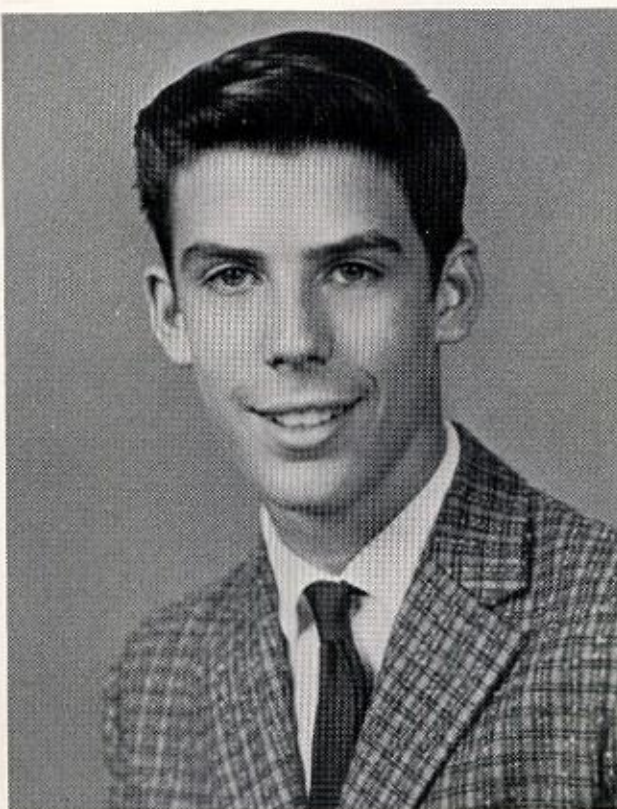

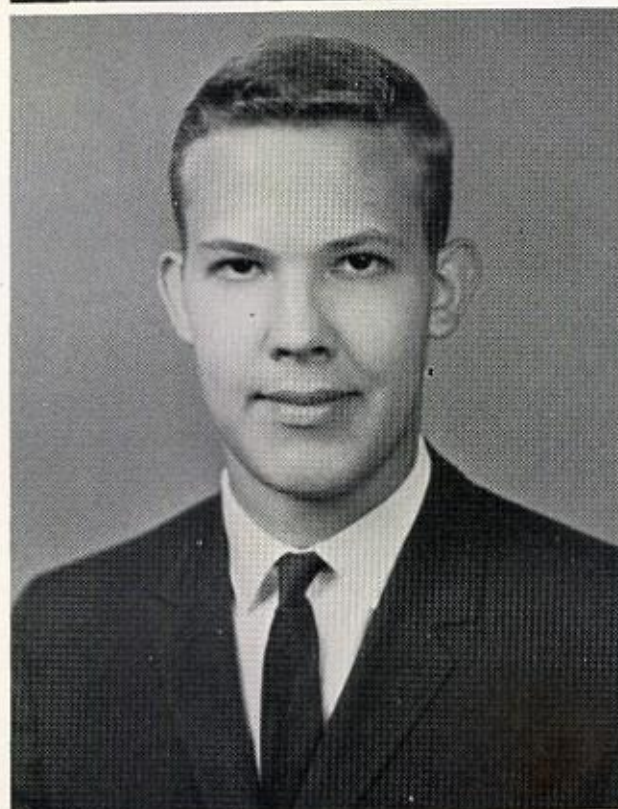

The Senior Class Officers: (LEFT TO RIGHT) William Manning, Treasurer; Michael Onofrio, Vice-President; Patrick Weigand, President; Wendell Sanders, Secretary.

Leonard Niedens

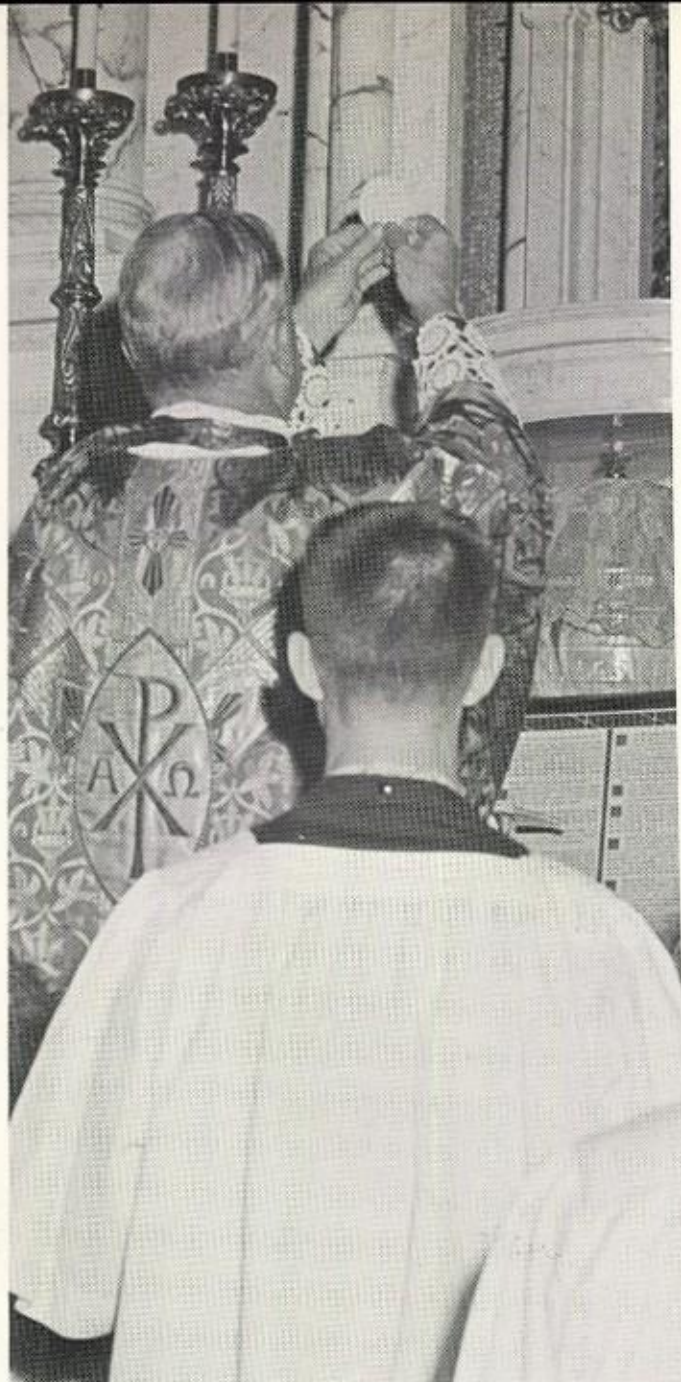

On October 26, 1960, the Kapaun student body was stunned to learn of the sudden death of Freshman Leonard Niedens. He was killed while returning home from a parish CYO meeting when the car in which he was riding was struck by a train.

In the short time that he was with us at Kapaun, he had become popular with his classmates. He impressed his teachers with his quiet determination and his hard work won him a place on the freshman football team. May he pray for all of us.

ACTIVITIES

Bishop Carroll elevates the Sacred Host at the Mass of the Holy Spirit.

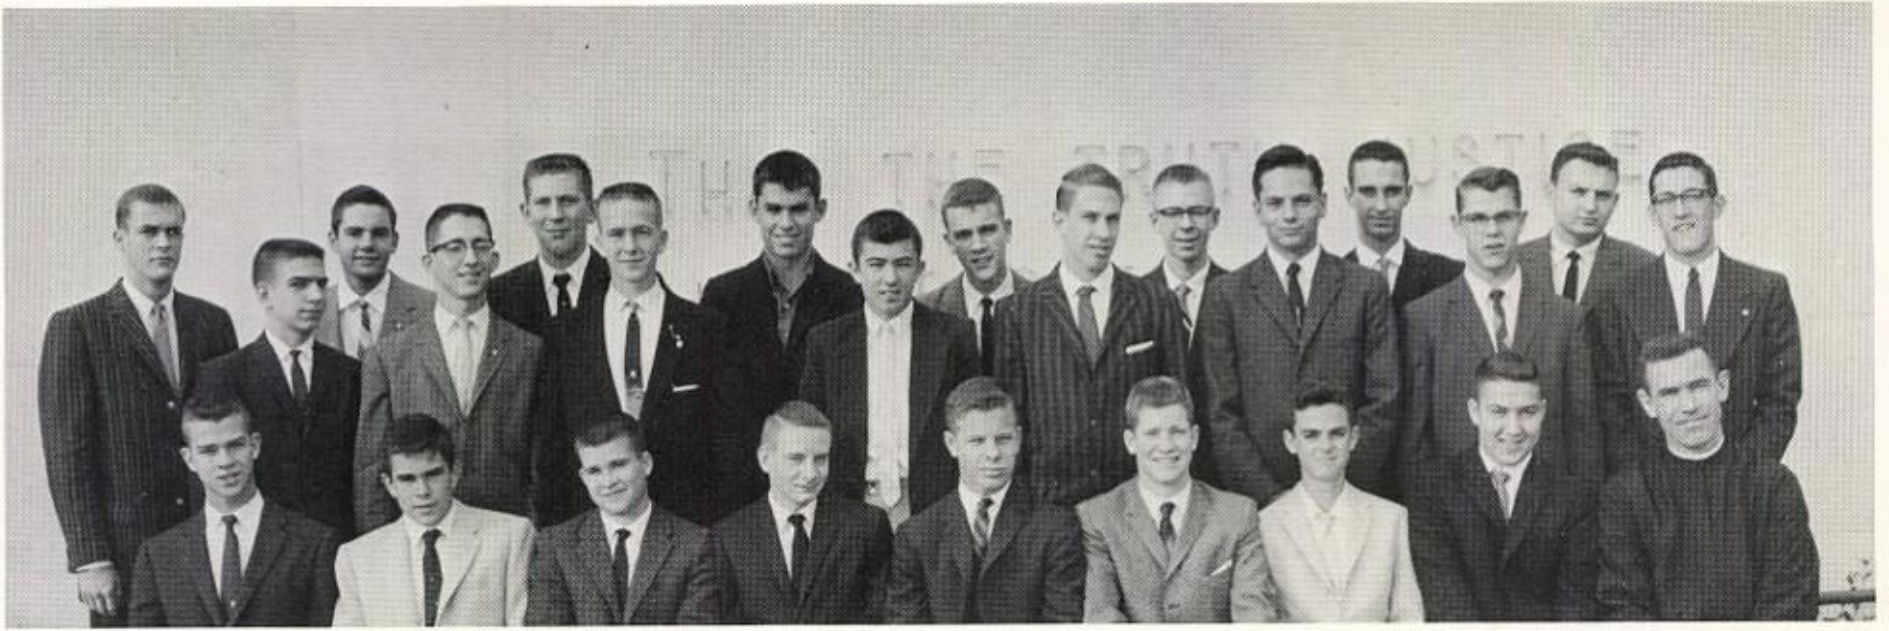

On September 16, The Most Reverend Mark Carroll, Bishop of Wichita, celebrated the annual Mass of the Holy Spirit in the Cathedral. The purpose of this traditional Mass is to pray that the Holy Spirit will bless the students and the faculty of Kapaun High.

In his address Bishop Carroll stressed the importance of a Catholic high school education. He pointed out that the prime reason for Kapaun's existence is to teach its students the Catholic faith and to give them an opportunity to live it in the daily offering of the Mass. Speaking directly to the seniors he explained the meaning of their senior class rings which he blessed. The rings were to be an insignia of the Catholic education which they had received from the Society of Jesus. All the student body and the teachers received communion from the hands of His Excellency.

SENIOR SODALITY

Under the direction of Father Sunderland, the senior sodality spent a profitable year both for itself and for the school which it represents. The group met approximately once a week to discuss among themselves such moral problems as drinking, dating, and other problems which pertain to seniors. Each meeting was prepared, conducted, and

led in discussion by the members themselves. Father Sunderland drew upon his valuable experience with high school students to lend appropriate thoughts and comments to the proceedings.

Indeed the senior sodality projects this year have been profitable, enjoyable, and educational to the participating members.

This year's sacristans are: (LEFT TO RIGHT) Ralph Huse, Frank Braeckel, William Henabray, and Charles Kraus.

SACRISTANS

The sacristans put in another year of fine work. Although their task is neither time-consuming nor tedious, it is essential to the two student Masses which are cele-

brated each day. Preparing the altar for the priest, lighting and extinguishing the candles, cleaning and filling the cruets are minor tasks, yet all are very necessary.

JUNIOR SODALITY

The Junior Sodality began the year by attending the Kansas State Sodality Union Workshop at Sacred Heart Academy. The Sodality Workshop opened with a Mass celebrated by Bishop Carroll during which all the sodalists participated in the Missa Recitata. The day was taken up by classes and discussions led by Jesuit Theology students from St. Mary's College. The workshop ended with benediction and a social hour.

The Junior Sodality has also taken an active part in the newly formed Intra-city Sodality Union. This new Sodality Union held a Day of Recollection, panel discussions, and many meetings with the sodalities from the girls' high schools in the city. The common aim of the combined group was the formation of good Catholic ladies and gentlemen out of the members by mutual airing of problems confronting young high school students.

APOSTLESHIP of PRAYER

One of the most beneficial organizations at Kapaun is the Apostleship of Prayer. Its duty is to keep the spiritual standing of the student body foremost in its mind.

The formula is simple. Each octave, novena, or special request of the Church is especially emphasized by means of posters, special times of prayer, and leaflets. The results are often gratifying and the graces are endless.

For purposes of student contact, each homeroom in each of the four years has promoters who distribute the monthly leaflets and who let their particular room know of certain programs such as the selling of Christmas cards which was very successful this year.

The Apostleship of Prayer is an exemplary organization. By using the aids given to it by the Church, it can work with the Church in a missionary fashion to help save men from losing their Faith by neglect of prayer and sacrifice.

Publicity Committee of the Apostleship of Prayer is: (LEFT TO RIGHT) F. Clark, Ralph Huse, M. Ludlow.

SOPHOMORE SODALITY

A deeper understanding of the sodality way of life and a more sincere effort to live this type of life were the goals of the Sophomore Sodality. The large number interested in the sodality necessitated a division of the sophomores. One group was moderated by Father Reinert and the other by Mr. Byrne S.J.

At Christmas the sodalists adopted a needy family and provided them with all the necessities to make a joyful Christmas.

In January the sodalists examined their faithfulness to the demands of the sodality in their annual retreat. During the second semester they attempted to understand the central act of a sodalist's day, the Mass, and to integrate all the normal teen-age activities into the offering made at Mass. At the end of the year each one made his decision about consecrating himself to the Blessed Virgin in the sodality way of life.

In analyzing the 1960 Kapaun High football team, the proper adjectives to use are hard-working, self-sacrificing, and quick-learning. Their 6-2 record was the fourth straight winning season in five years for Coach John Knolla's battling Crusaders.

The season got off to a poor start when the scrappy, yet luckless Blue fell to the Southeast Golden Buffaloes 20-6.

The only Kapaun score came on a sensational 80-yard punt return by Bill Rullman.

Following their opening loss, the original "Dirty Thirty" went through a rugged two weeks of intense, determined work on the heated gridiron in preparation for their contest with the 1959 City League Champions, West High.

Kapaun went against West with senior Tom Malnar playing his first game at the fullback post. The Crusaders whipped the Pioneers 14-7 in an exciting nip-and-tuck battle that saw quarterback Pat O'Shaughnessy accounting for all of Kapaun's points.

The Big Blue opened their home schedule with a remarkably easy win over the inexperienced Campus Colts. The subs finished the game, scoring the final touchdown to make it a 47-0 victory.

Kansas City's Ward High Cyclones bowed in defeat to the Crusaders as the spirit of homecoming victory prevailed on the Kapaun campus. Pat O'Shaughnessy and Bill Rullman each tallied twice to lead the Crusaders to their third straight win by a score of 25-14.

little competition for the fleet Kapaun backfield. The Big Blue chalked up over 300 yards rushing and the final score read 33-0 for the second shut-out in a row. The Crusaders were now ranked sixth in the state by the Associated Press.

In search for their fourth consecutive victory the Crusaders journeyed to Ark City to seek revenge on the stubborn Bulldogs. After piling up an early lead, they were handed a 27-19 loss.

Recovering from a discouraging defeat, the Big Blue proved their might by trouncing the Hays' Cadets by a score of 33-12. The game provided a preview of next year's potential with many juniors seeing action.

The Crusaders topped off the season with an impressive 27-12 victory over Washington of Bethel.

Fleet Crusader scatback Bill Rullman turns the corner to score the final touchdown of his career against Washington.

The Campus game marked the emergence of one of the greatest scatbacks in Kapaun history. Bill Rullman scored thirty points on five touchdown runs against the Colts. He gained 262 yards on his running alone.

In the Ward game, the Blur took a lateral from Roger Harris and scampered fifty yards for a touchdown.

In the Ark City contest, Rullman scored two touchdowns on runs of seventy and eighty-five yards. He also scored two touchdowns in the season's finale against Washington. The sound of the final gun was lost in the roar of the crowd as the Blue Blur scampered across the goal line to raise his season's total to 102 points. His exciting runs won him a well-deserved place on the Wichita Eagle and Beacon All-Star team.

Not even the referee could keep up with the Blue Blur, Bill Rullman.

LETTERMEN'S CLUB

A Record Number Of Letters Issued

Another year of successful athletic activities has passed into the annals of Kapaun's history. Its passing marks the awarding of the coveted letter "K". To wear the letter is a privilege and an honor since it is the reward of extensive work, loyalty, and true sportsmanship. This year the lettermen's club has shown a sharp increase in members, thus, giving it more prestige in the school.

Those lettermen whose sport is not in season help keep up the enthusiasm of the student body and act as ushers in directing the crowds in the stadium and the gym.

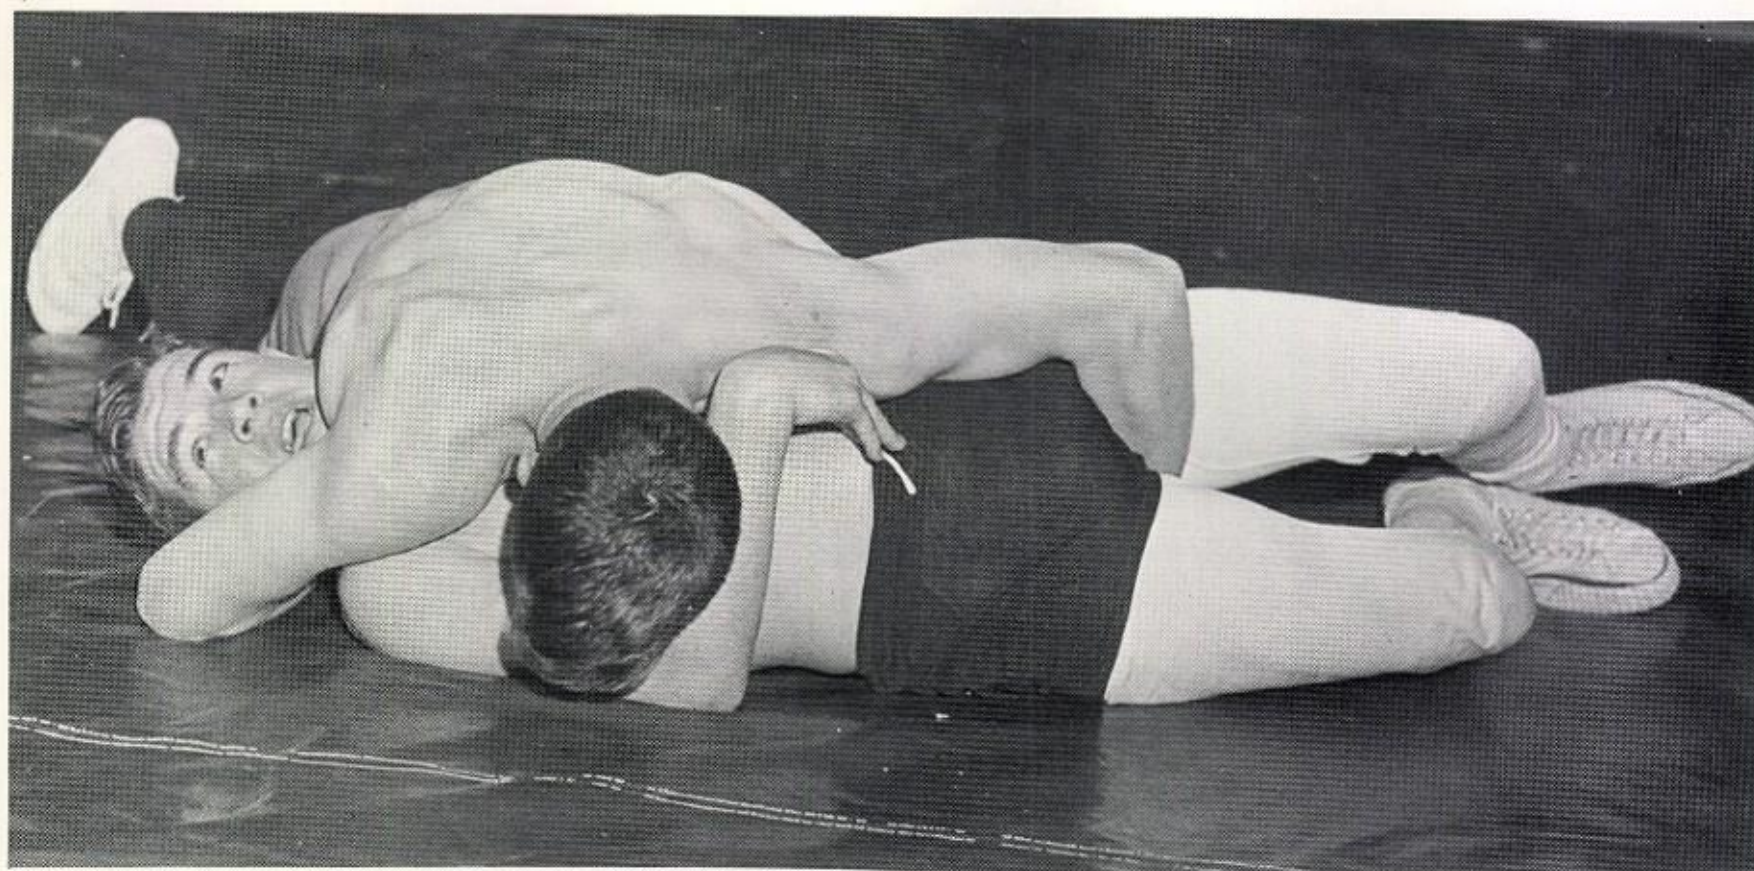

While wearing the big blue and white "K" these students are the perfect examples of the disciplined young men who are the products of Kapaun High.

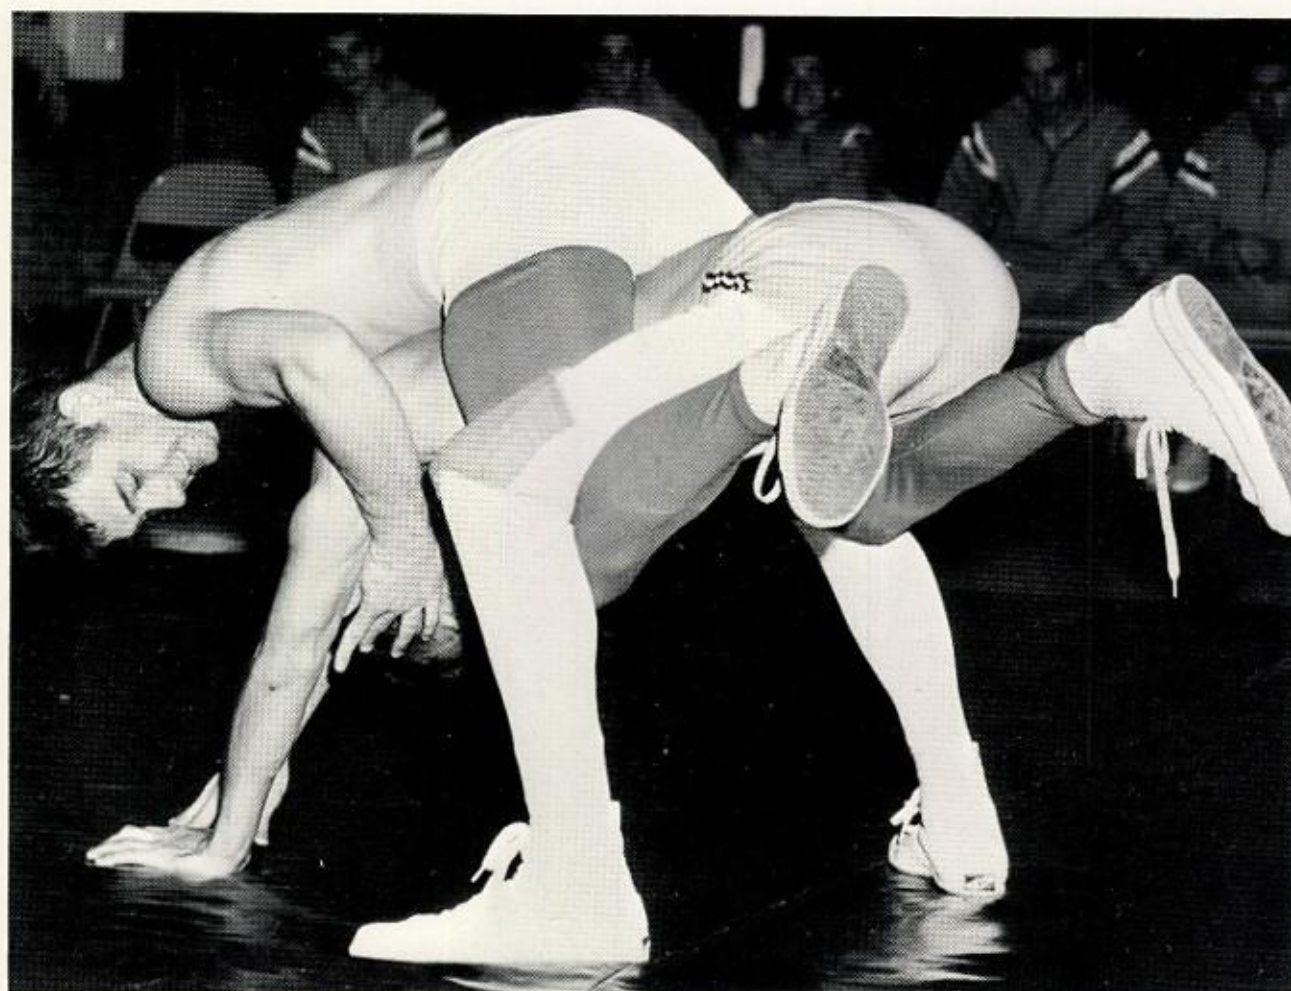

Letterman, Bob Rowan, helps to direct traffic during half time of the basketball game.

Bob Wohler takes it easy as his opponent struggles in vain to break the hold.

The Kapaun grapplers, plagued by the loss of many key lettermen, finished the 1960-61 season with a record of four wins and seven defeats. Despite the general inexperience, the young team had several standouts. Mike Reddy advanced through the district tournament and on to the regional tourney before bowing out. Bob Wohler, Pat Glass, John Downey, and Mike Gillham won more than their share of victories over tough opponents. Big things will be expected from Dave Hutchinson, Norb Reel, Bruce Kent, and Rich Boyer; freshmen Lynn Coker and Kent Steiner showed much improvement during the season. Over-all prospects are bright with lettermen returning in ten of the twelve weight classes.

"Take it easy, Rudy," says Moeder's opponent from South.

"Is this the first time that you have ever been in the water," asks swimming coach Richard LaForge.

SWIMMING

Many Individual Triumphs

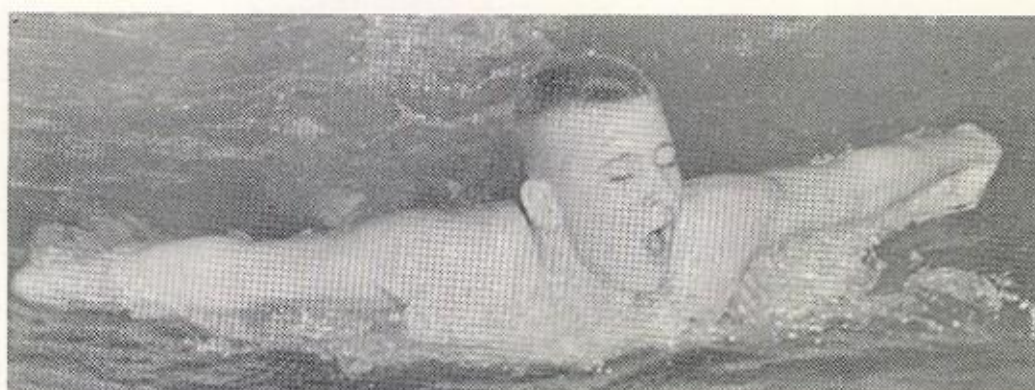

Outstanding individual performances were offset by a lack of depth. This might be given as an analysis of the Kapaun swimming team. Although the team won its share of first places in individual events, it did not have the depth to sweep seconds and thirds. The strong performances of seniors L. P. Jeter, Rod Phares, Charles Kurth, and Jim Hein will long be remembered and sorely missed next season. However the brilliant swimming of Jerry Higgins and Pat Weldon and the improvement of many freshmen and sophomores during the season give Coach Richard LaForge good reason to look forward to next season.

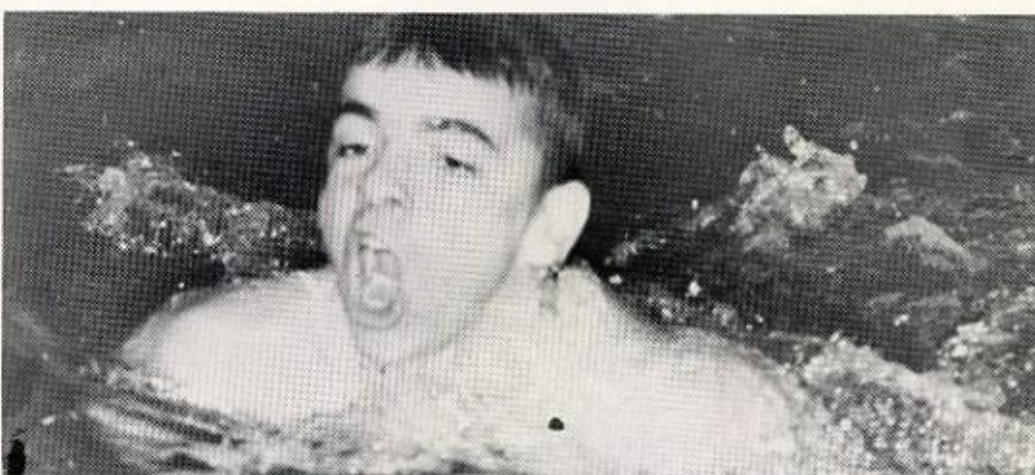

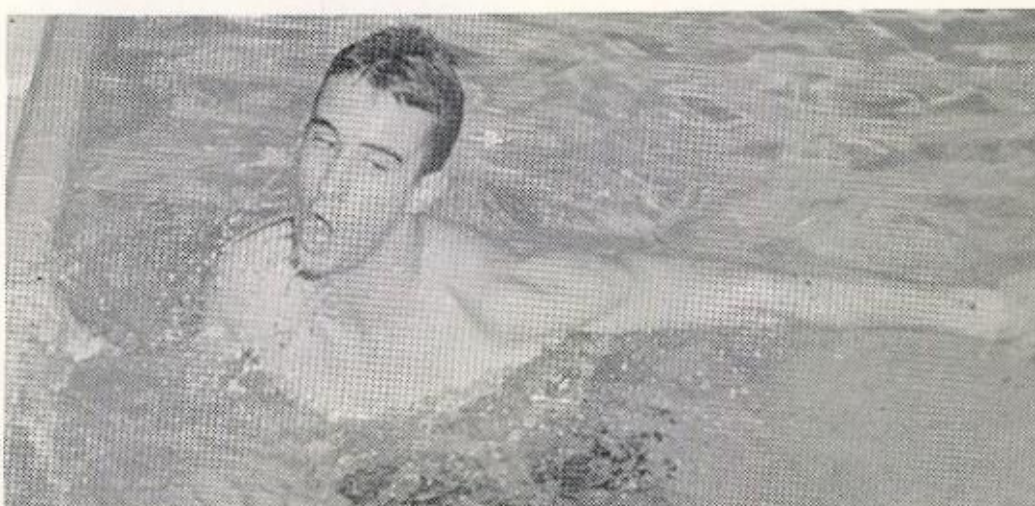

Phares takes off on the second lap of the medley relay. Hein and anchor man Dowd await their turns. Jerry Higgins, with arms folded, shouts encouragement.

BOWLING

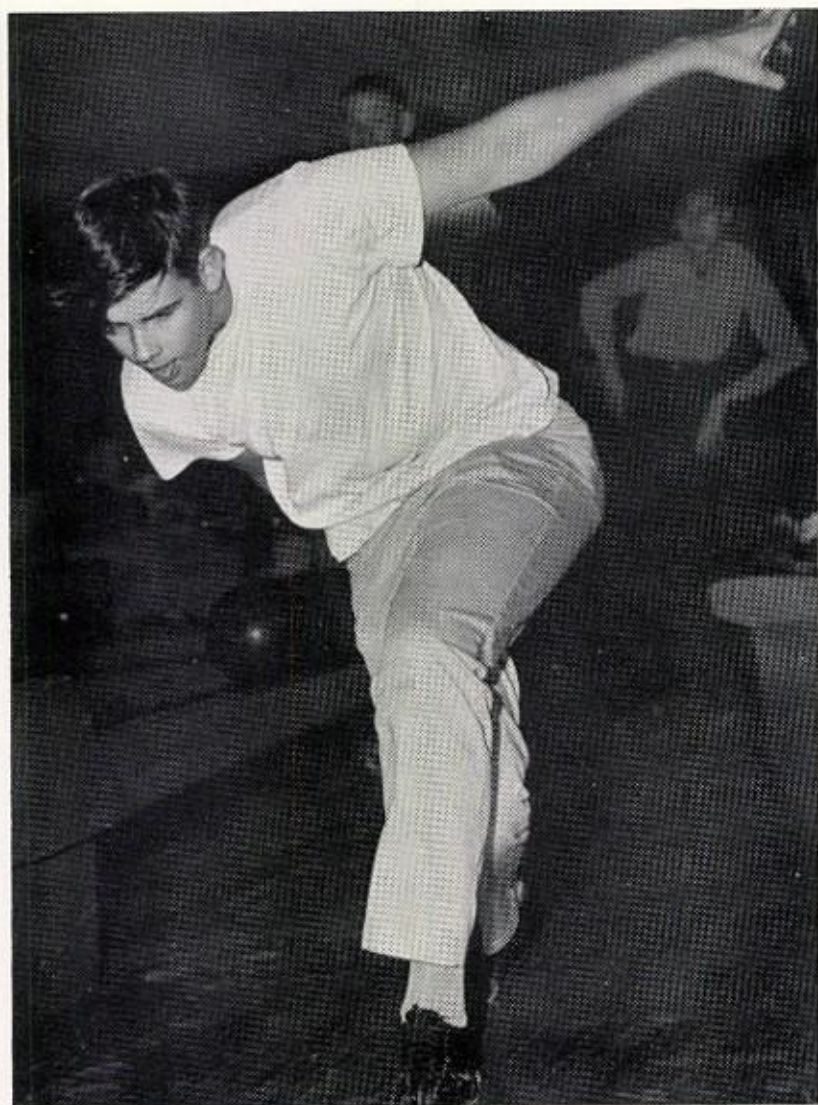

"Its A Strike, Father!"

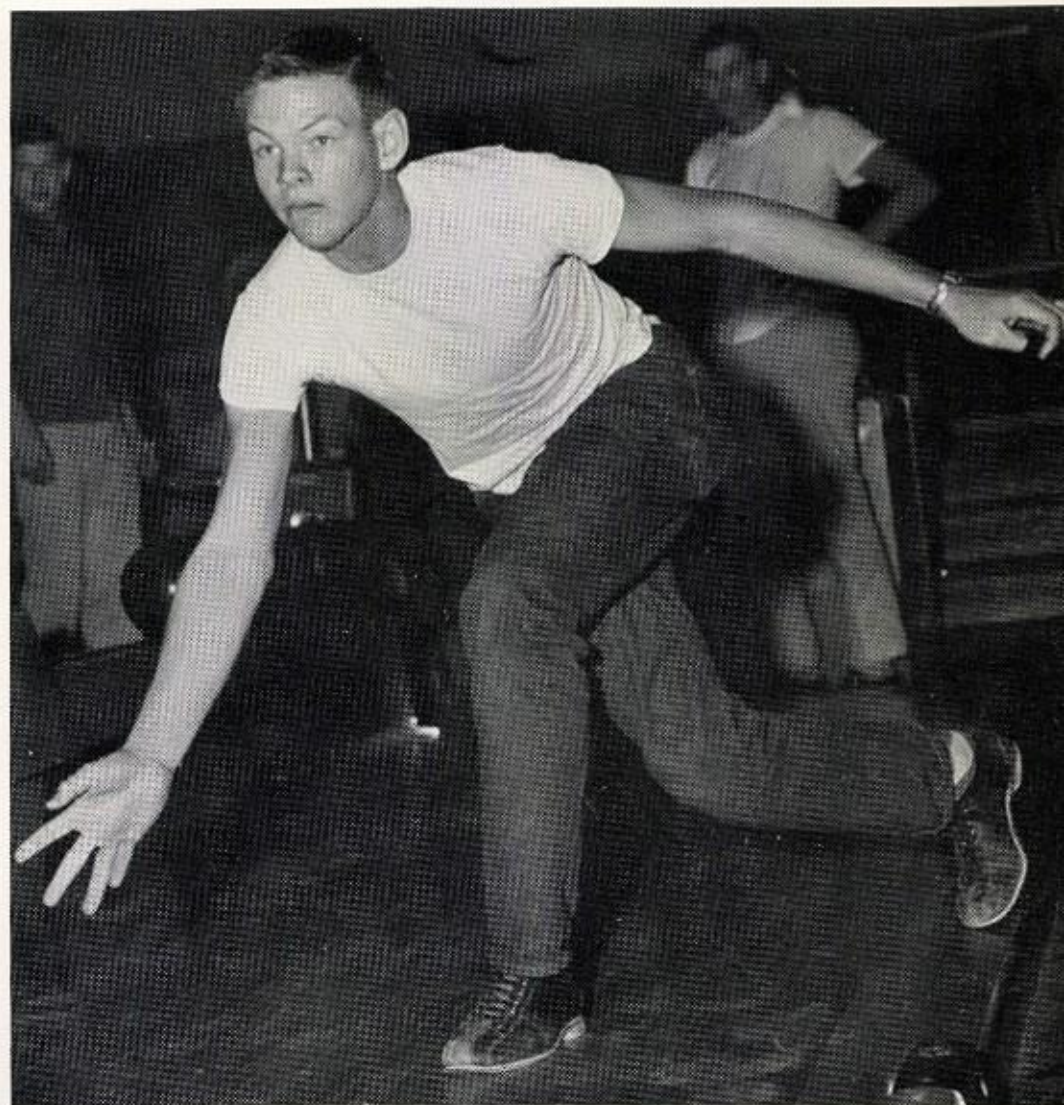

Bowlers come to the scoring table to check their score. They are: (LEFT TO RIGHT) Fitzpatrick, Cochran, Hodges, Carl Konecny, and Tholen.

During the past few years, there has been no bowling activity at Kapaun. But this year the Crusader keglers were brought back to life by Father Eugene Kelly, S.J. Over fifty students took part in the Kapaun bowling league which was held every Monday after school at the Rose Bowl East. The league was composed of eight teams with substitutes to fill in when needed. Many of the rookie bowlers improved their averages under the able leadership and weekly instruction of Father Kelly. Aside from Fr. Kelly, the bulk of the work was handled by Ken Kepley who, as secretary-treasurer, had the job of figuring the averages and handicaps. All in all, this year's bowling program turned out to be a huge success, resulting in inexpensive recreation for all the league members.

Kenneth Kepley is trying hard to pick up a spare in the tenth frame.

Barney Tholen seems to have found the pocket.

RIFLE TEAM

Distinction For Six

Those who made the Kapaun rifle team this year certainly had to survive tough competition. Mr. Finch S.J., the Coach, was greeted by a turnout of over eighty prospective riflemen. He had a big job just to supply ammunition and schedule times for all those who wanted to fire. During the winter season he entered three teams in the eight-team league which met for matches every week. The top Crusader team challenged the East Y and North High teams for the top position, but had to settle for a close third. At the close of the firing, the top six Crusader marksmen were: L. P. Jeter, Richard Taggart, John Shiner, Dan Nelson, Robert Brock, and Reynold Welicky. Since only Jeter will be lost by graduation, Mr. Finch will be looking forward to big things in the range next season.

"We Are Proud Of The Past. But Excellence Must Be Our Goal."

The Honor Assemblies are held at each of the quarters of the school year to honor those who have distinguished themselves in various fields. At these assemblies those students who have maintained an eighty-five average receive second honors and those who have earned a ninety average receive first honors. This year those students who

ranked first in their class at the end of the first semester were: Karl Becker 95.5, fourth year; Roger Messman 95.8, third year; Ralph Huse 96.3, second year; Robert Messman 95.5, first year. Father Bowdern S.J. and Father Reinert S.J. always offer a few words of encouragement to the student body after the honor cards have been distributed.

Fr. Bowdern presents a plaque to Dr. Francis Hagan, the team physician, for a job well done. Athletic director Mr. Bachrodt applauds in the background.

HERALD

Conveys Campus Activity To Students

"Where's your story?" "Why didn't you get all the facts?" "Who proofread this?"--these were familiar cries that emerged from the press room when Mr. Reck S.J. and his staff were at work.

The HERALD is published once a month by the students of Kapaun. The HERALD contains the usual columns such as From the Editor's Desk, Books, You Got Problems, and In the Groove, plus special features on the big news items of current interest around the campus. At Christmas time there was a special supplement called the Literary Supplement. In this special issue students of all four years submitted essays and poems containing the Christmas spirit.

SPEECH

A New Emphasis Brings

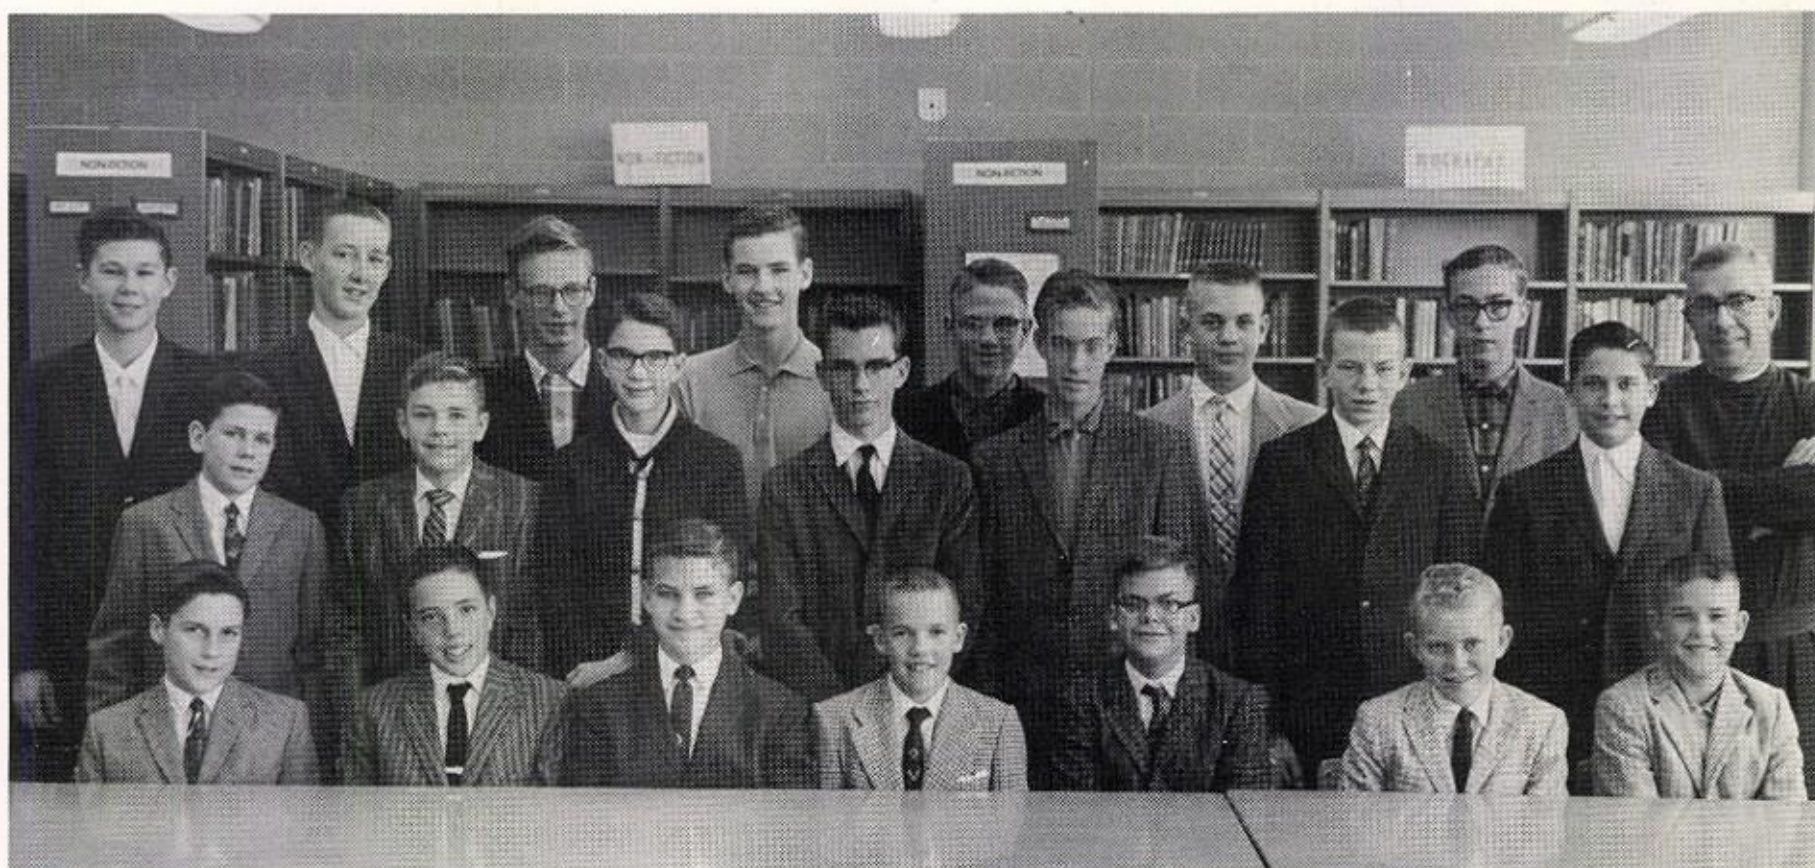

A Wider Participation

The speech program was given new prestige this year. For the first time at Kapaun, academic credit was given for speech work outside the regular school day. The large number of students interested in public speaking demanded that the work be divided among four faculty members: Fr. Grennan S.J., Fr. DeRouen S.J., Mr. Schnieders S.J., and Mr. Finch S.J.

The speakers entered tournaments at Topeka, Hutchinson, and Wichita, and also participated in the state tournament. Several speakers performed with distinction in the American Legion's "I Speak for Democracy" contest. The young speakers failed to run up an impressive string of victories, but a much wiser and more experienced group will represent Kapaun next year.

CRUSADER

Strives For Perfection

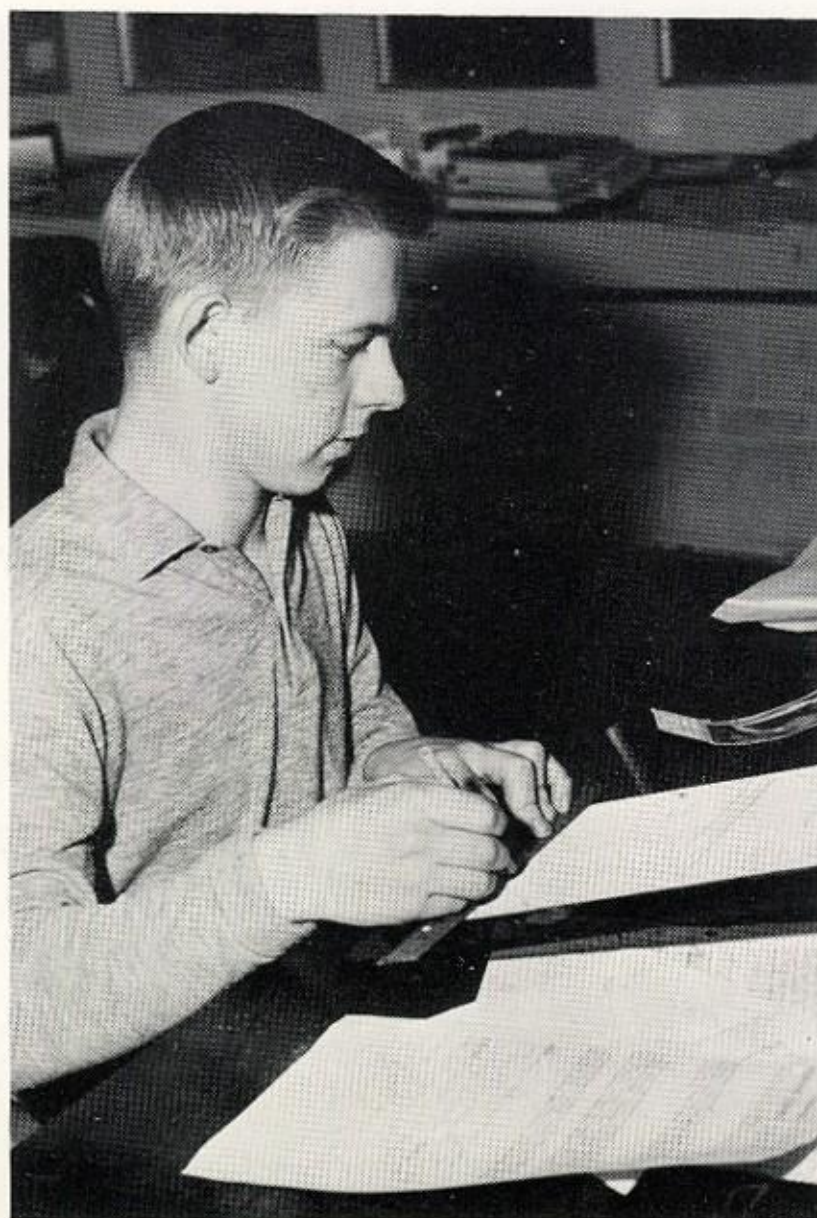

CRUSADER '61 has taken a new form this past year. Formal faculty pictures, more copy, and an emphasis on better photography are a few of the improvements in the book.

This year, however, many students lost interest in their yearbook. The fact that CRUSADER '61 has been edited by a staff of six may seem unbelievable, but nonetheless it is true.

We would like to offer special thanks to our moderator, Mr. Byrne S.J., who has certainly done more than his duty, to our chief photographer, Mike Harter, who has supplied us with excellent photographs, to our hard-working business manager, Mike Trollope, who singlehandedly acquired the needed number of advertisers, to the entire staff for their generous time and efforts, and to our advertisers who finance a large part of our book.

Mike Harter, an expert with the camera, explains the secrets of the dark room to Jim LaBelle.

Staff member Gary Jarchow fits together the pictures and copy for another page.

"Now you see Mr." explains energetic business manager Mike Trollope to prospective advertiser.

Editor Dennis Huse and Mr. Byrne S.J., moderator, check over the final copy.

Rodney Huse dictates as Mike Harter types headlines under the pictures.

HOMECOMING

A Week End To Be Remembered

The 1960 Homecoming got off to a fine start with a 25-14 victory over the highly ranked Ward High Cyclones from Kansas City. The dance was held the following night in O'Shaughnessy Hall. The hall had taken on an entirely new face. The ceiling had been dropped and made of twisted blue and white crepe paper. The highlight of the evening was the coronation of the queen. This year's queen was Miss Kathy Coffey, a senior at Mt. Carmel Academy. Her escort was Tom Sweeney. The queen's attendants were Nikki Meitner, a senior at Sacred Heart Academy, escorted by Bill Manning, and Jane Gates, a senior from St. Mary's, escorted by Mike Knolla. After the crowning ceremony, the evening was drawn to a close with the music of Dan Tontz and his dance band.

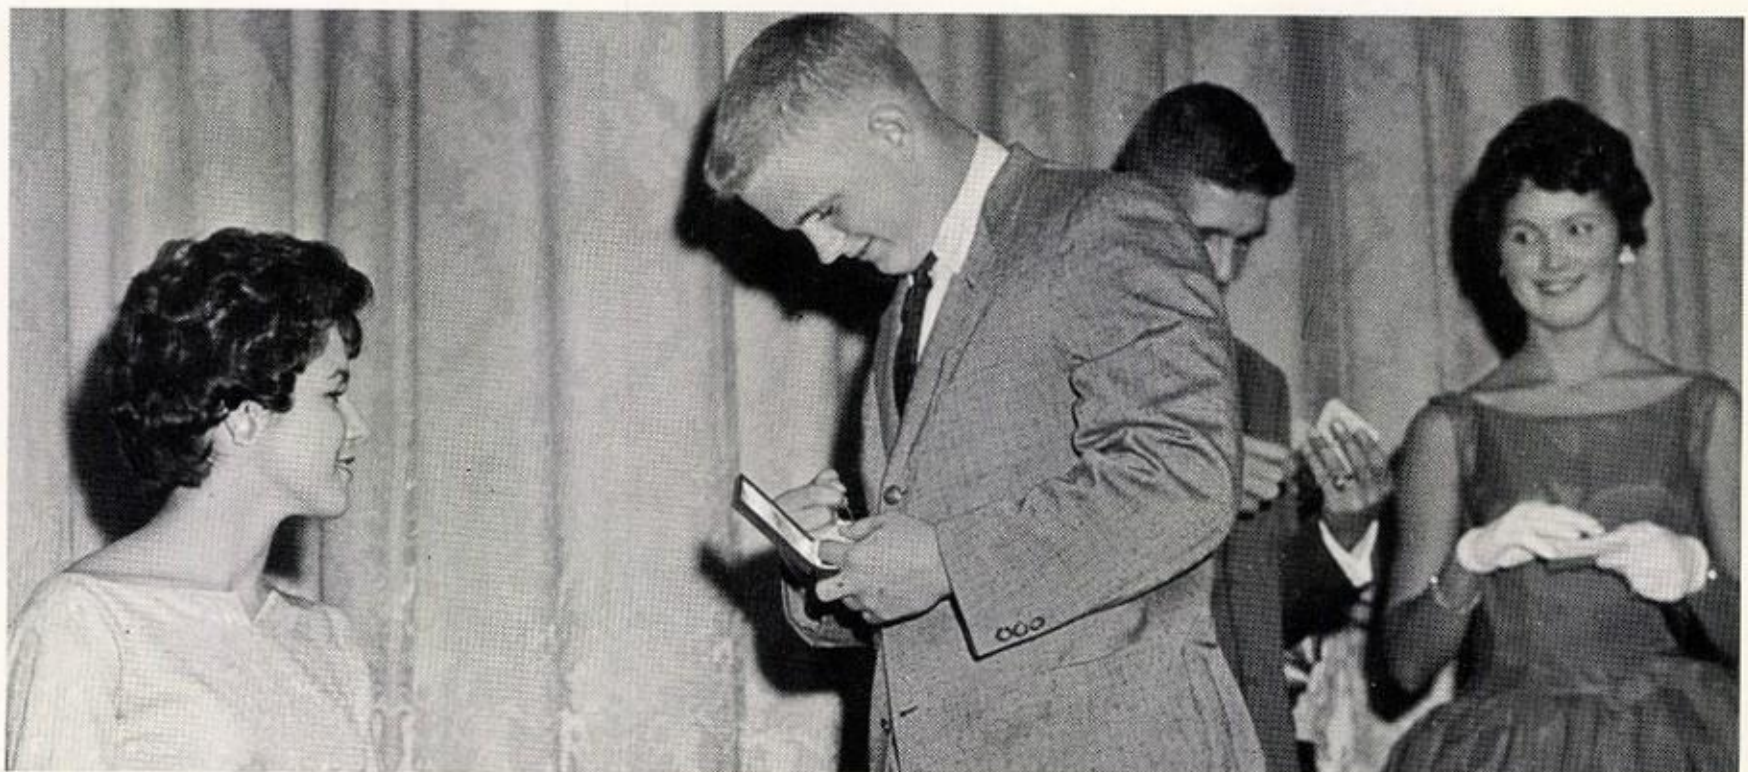

The queen's court is as follows: SEATED: Queen Kathy Coffey, Tom Sweeney. STANDING: Bill Manning, Nikki Meitner, Jane Gates, Mike Knolla.

SOCK HOPS

Time To Relax After A Close Game

O'Shaughnessy Hall is the scene of the Kapaun Sock Hops which follow many of the sports events throughout the year. Despite the title, sock hop, many of those who attend are found sitting in the bleachers discussing--foreign affairs? While many are found in the stands, some are seen in the lobby refreshing with a coke and chatting with the teachers. The spirit of victory is usually the predominate mood of the "hoppers". The top tunes from around the town are played on record for those who choose to dance. However all seem to enjoy themselves whether they are sitting or swinging.

Students from South and Kapaun dance before KAKE television cameras in the Crusader gym after the basketball game.

BAND

A Lift For School Spirit

The band was under the direction of Father Paul Kennedy S.J. and Mr. Walter Ford. Mr. Ford was a new addition to the faculty this year. He came from Wichita University where he was completing his graduate studies in music. Thanks to his hard work and inspiring leadership, the band enjoyed the most successful year that it has ever had. Its rousing numbers added to the spirit of the Crusader football and basketball games.

The daily improvement of the players under the tutelage of Fr. Kennedy and Mr. Ford was reflected for the first time in academic credits. As a crowning point for the year, the band in full uniform and the Counterpoints, the school dance band, entertained the parents and students at the annual Spring Concert.

BASKETBALL

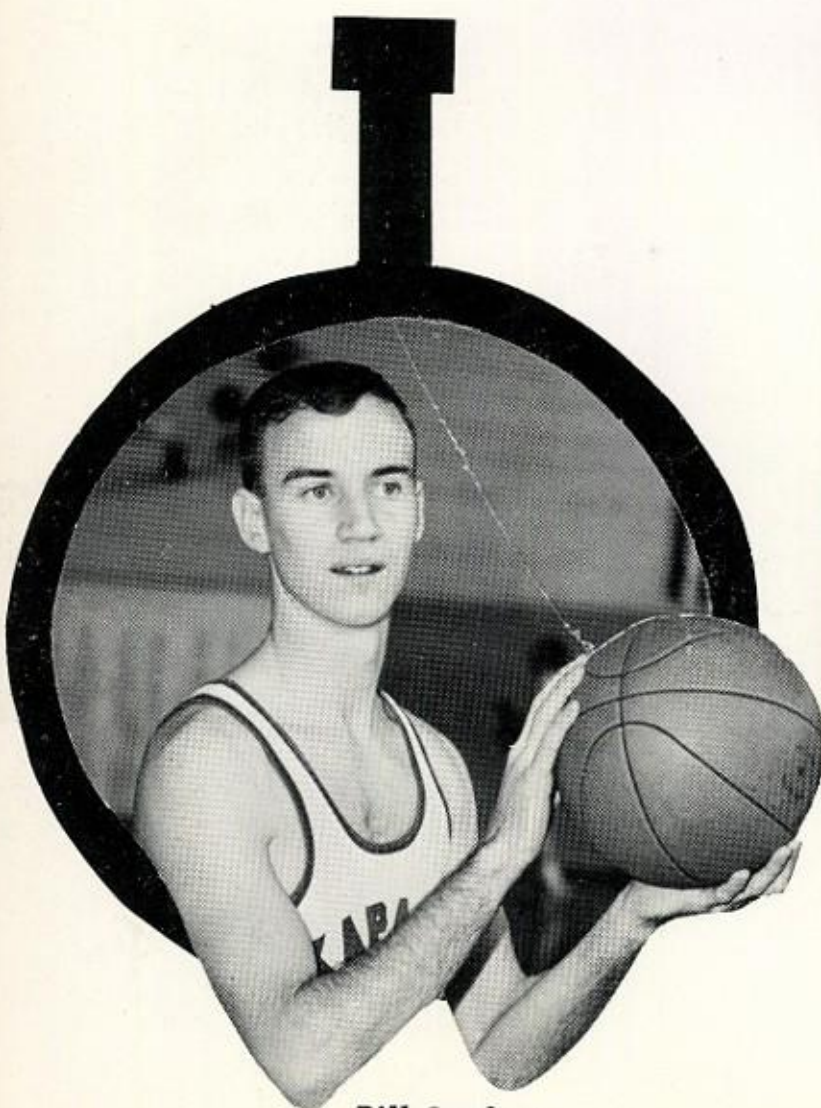

Boast Outstanding Record

At the beginning of the basketball season, many of the students thought that the year ahead would be one for building. The lack of height, speed, experience, and depth was evident to all. However as the year progressed, the Crusaders proved the students wrong by establishing a 16-4 won-loss record for the 1960-61 season.

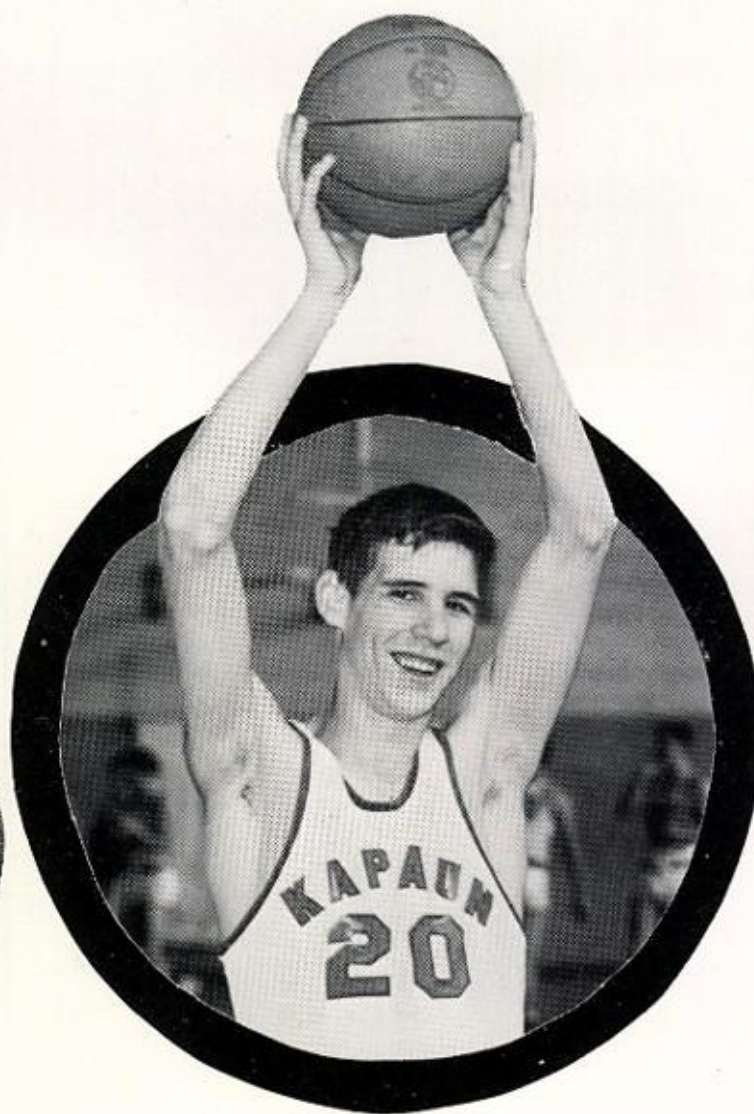

The Kapaun basketball team opened the season with a 61-34 victory over Campus. After a disastrous 54-50 setback by the Golden Buffs of Southeast, the Crusaders came back to win the next nine games. West was the first to fall. The next victim was the high-spirited McGuinness Irish who were

easily defeated by a lopsided score of 64-38.

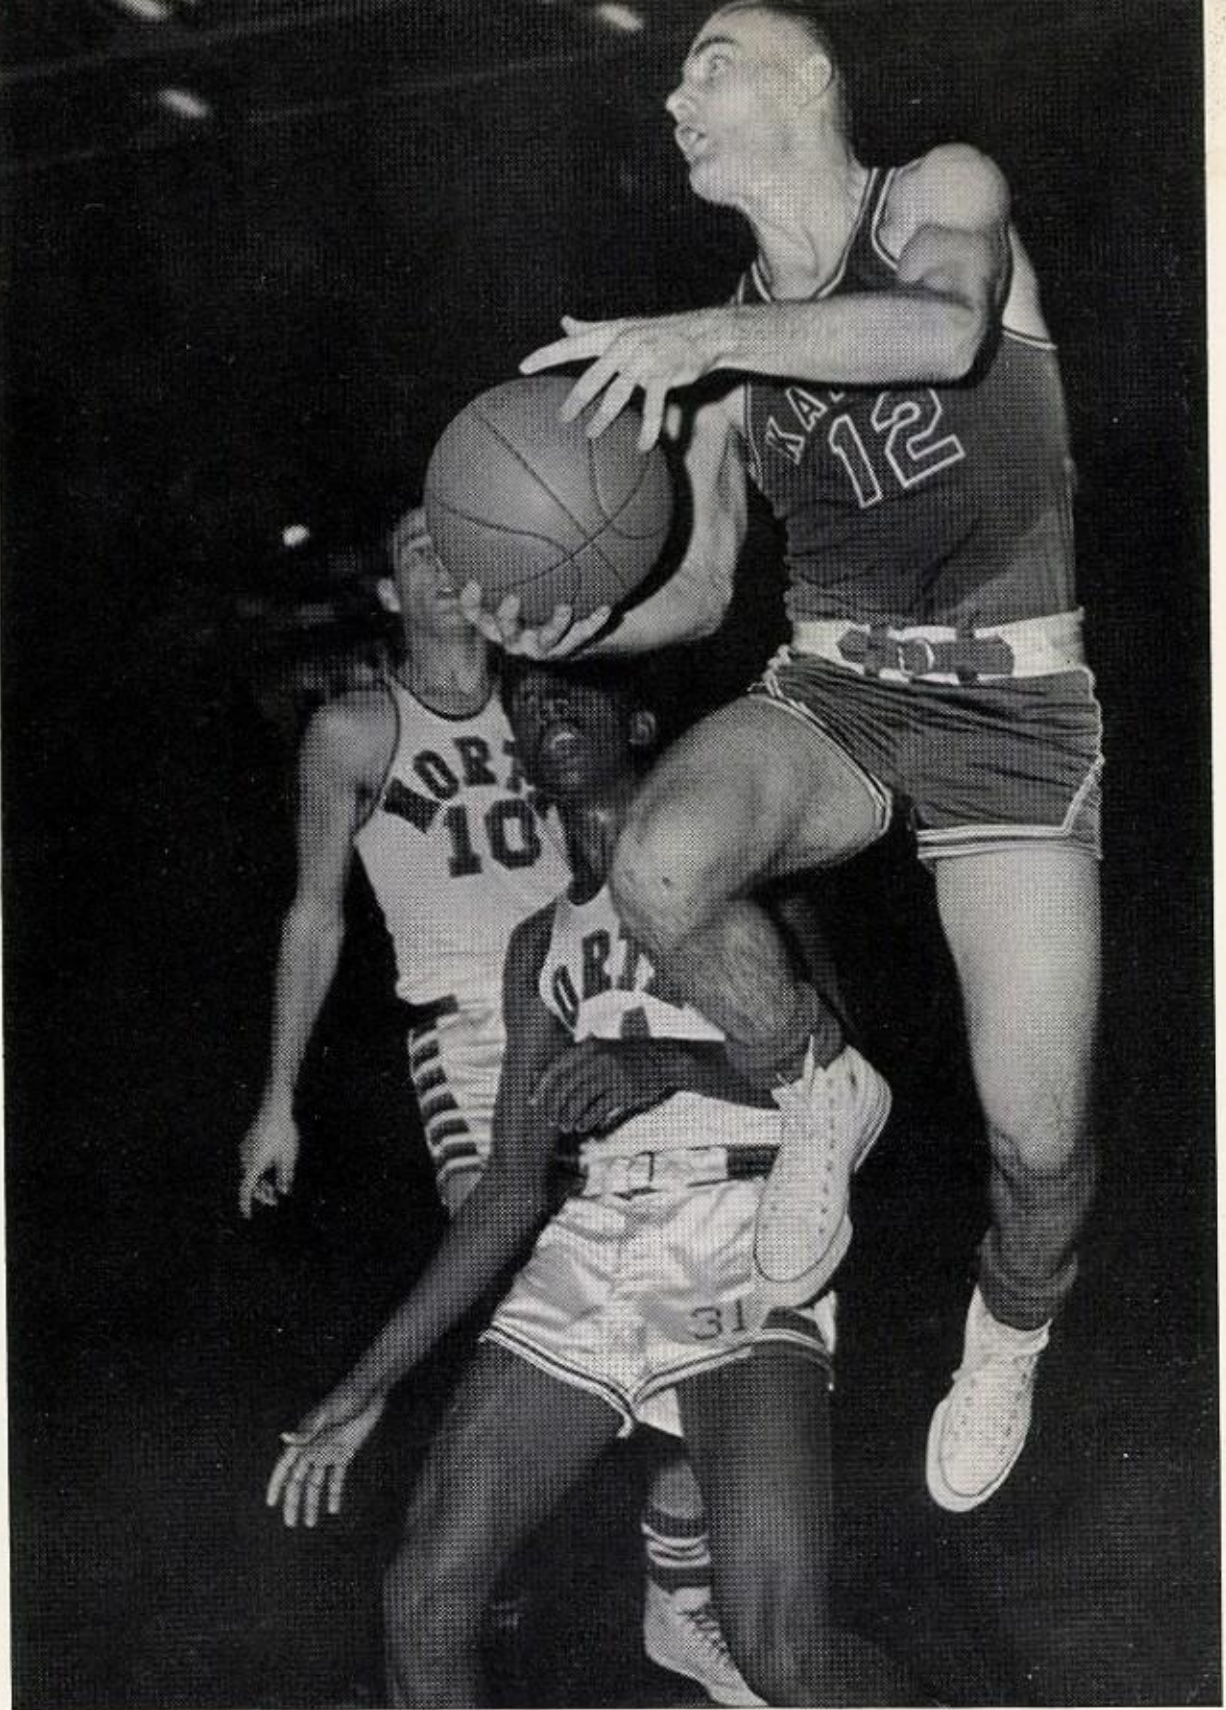

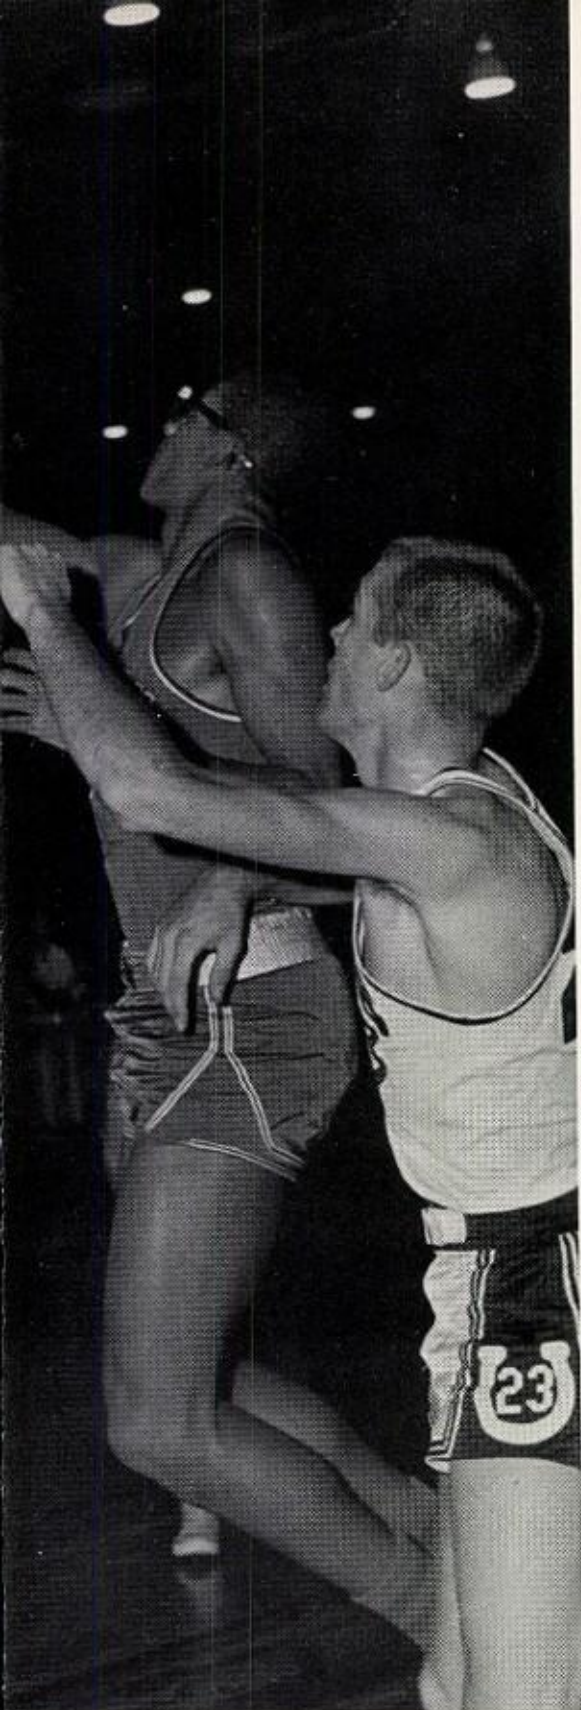

Tuesday, Jan. 10, was the night that gave proof of the fine man-to-man defense which is employed by Mr. Bachrodt. At the end of the first half the Crusaders marched to the locker room with a score of 26-3 under their belts. The following week end the Big Blue made their television debut along with the South High Colonels. The Crusaders downed the Colonels 54-39 in that game.

After the T.V. appearance the Crusaders annexed the West Invitational trophy for the fourth straight year with victories over South-

east and South.

Hayden High from Topeka had a fine record of 12-0 before they met the Crusaders. Hayden took the long way home though, after they were handed a 66-52 defeat by the Blue. This victory placed the Crusaders sixth in the state.

Following another easy win over Campus, the Big Blue avenged their only loss thus far by beating the Buffs 58-44. After these nine straight victories the Crusaders held their heads high as they invaded Redskin territory. However the Redskins ambushed the

The Big Blue then triumphed over South High before losing an important game to the revenge-seeking Wildcats of Hayden.

The Kapaun quintet closed out the season with dual victories over the Atchison Redmen.

Regional play began March 3, with the Crusaders trouncing Valley Center 60-29. The Big Blue then advanced to the finals with North after a close 47-46 win over Augusta. The championship game was one which will

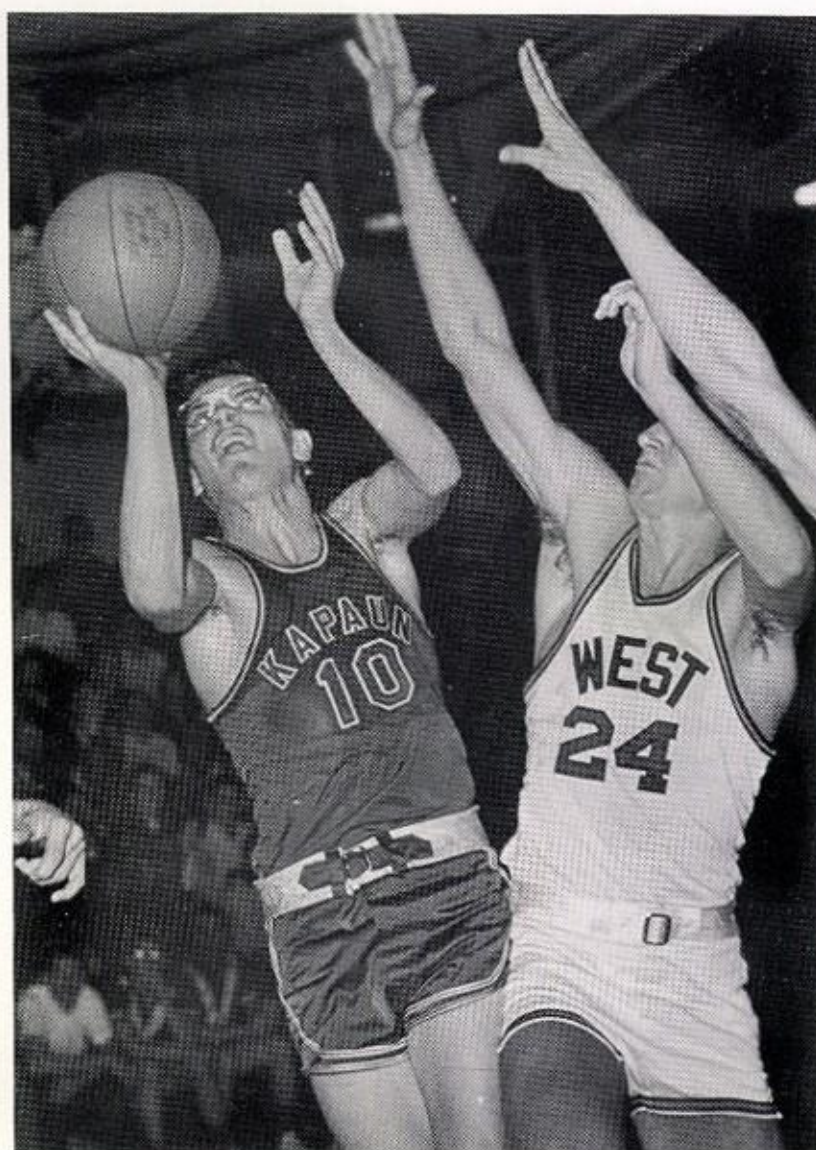

long be remembered for the fine sportsman-ship, school spirit, and undying effort displayed by the students and team. Even though the battling Crusaders dropped this all important contest, they were still victorious in their sportsmanlike conduct during and after the game. The Crusaders fought valiantly all the way. As the final gun sounded the scoreboard read Kapaun 46; North 51. During the presentation of the trophies, Mr. Bachrodt's resignation from the coaching staff was announced.

Coach Herm Bachrodt points out a weakness in South High's defense during half-time at South.

FROSH BASKETBALL

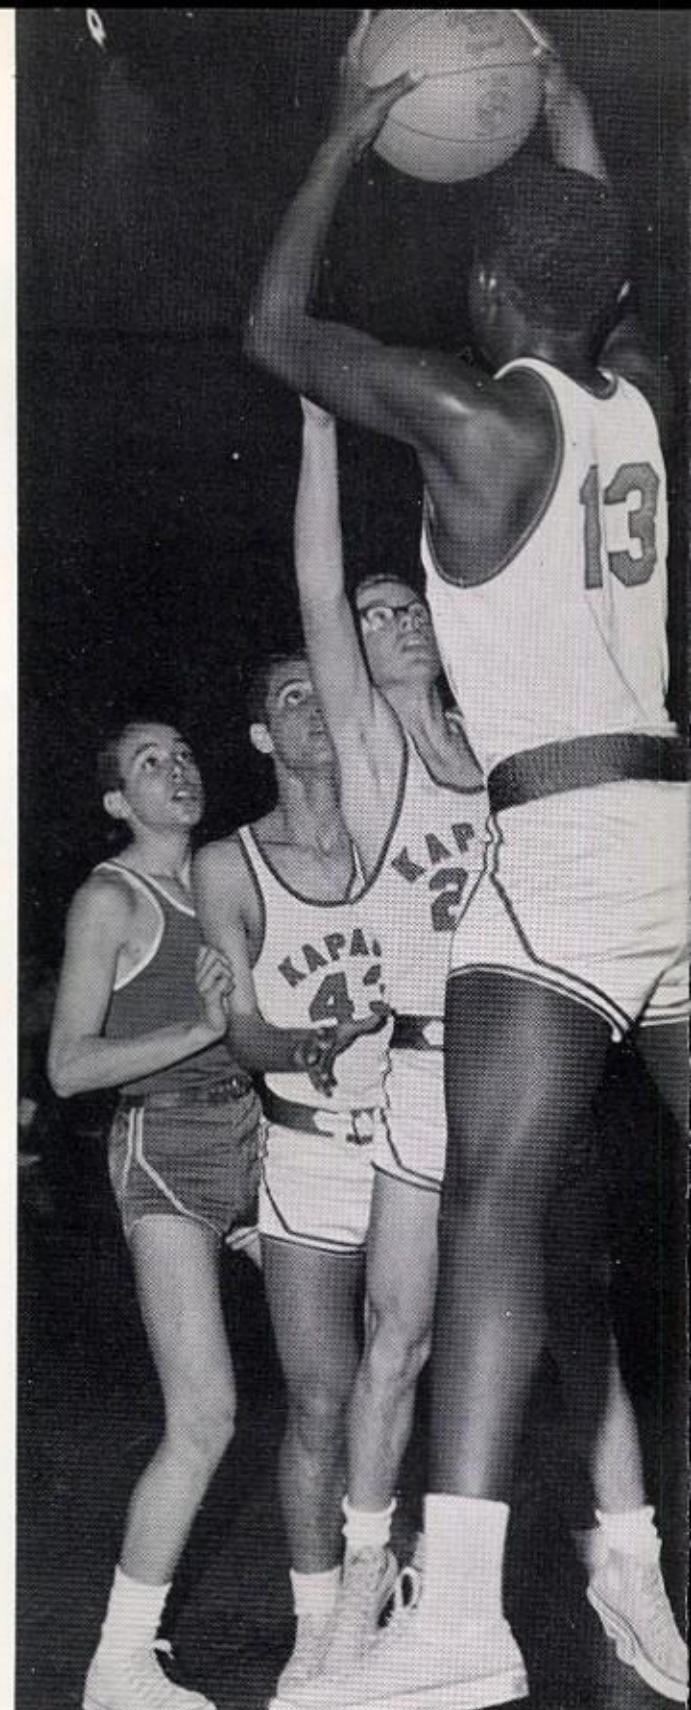

Tall And Talented

A hard-working, determined team of Baby Crusaders went through their thirteen game schedule undefeated. The season opened with a shaky win over Campus. However the young team improved with every game and finished with a crushing defeat of Robinson Intermediate. This victory was especially sweet for Mr. Hartenbach S.J. whose only loss in two years of frosh coaching came at the hands of Robinson.

The young Crusaders had an abundance of talent and shooting ability. They won the championship of the first Kapaun Invitational Freshman Tourney. In the first round they soundly trounced the Augusta Orioles and in the finals defeated the previously undefeated Ark City Bulldogs.

With a look of determination, Steve Hamilton (22) pulls the ball away from two Brooks' guards.

Vern Noble comes down with a rebound as John Bates (43), Steve Hamilton (22), and Bennie Neuhart hold off the Blue Jays from Augusta.

The golf team this year was under the direction of Mr. Hartenbach S.J. An impressive schedule of matches and tournaments kept the Crusaders on the links every night of the week. With the competition of match play, the veteran golfers demonstrated their ability, and newcomers sharpened their game.

Dennis Shay edited the Kapaun Herald during his senior year, after working on the paper as an underclassman. He has been in all the major dramatic productions during his four years at Kapaun. As an outstanding student, he represented the school at the Kansas Boy's State. His average has constantly put him in the upper part of his class and he has been an active sodalist all four years.

MEN OF

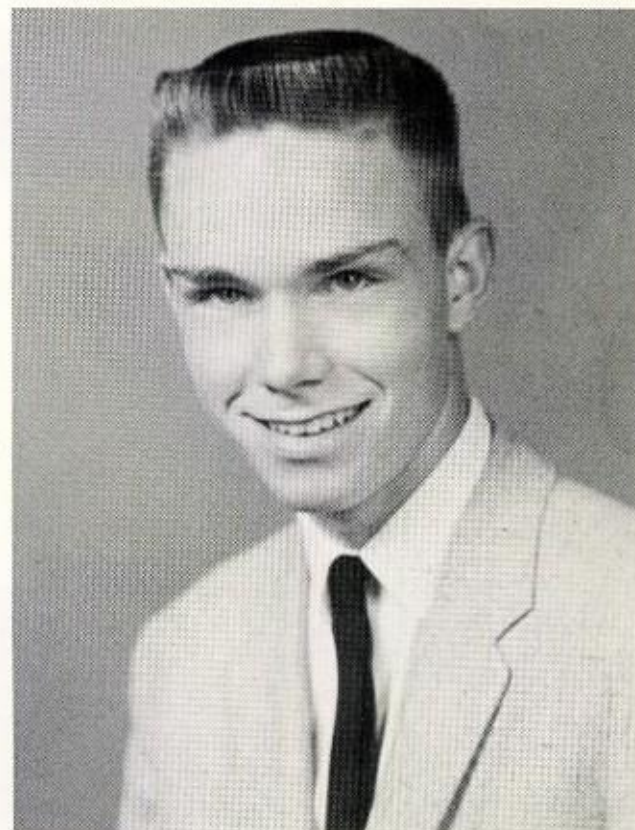

Charles Kraus has been a sparkplug in all his activities at Kapaun. Despite his height disadvantage, he won a starting berth on the varsity basketball team and his quarterbacking kept the team moving. He lettered for three years on the baseball team. He wrote up the games for the Kapaun Herald in his last two years. His value in every Crusader activity either as a backer or worker was evident to all.

Roger Hughey has been an ardent backer of all Crusader projects. As a senior he held the position of sports editor for the Herald. His talent in dramatics won him many roles during his four years. A good student and active sodalist, he was chosen as a delegate of the Kansas Boy's State.

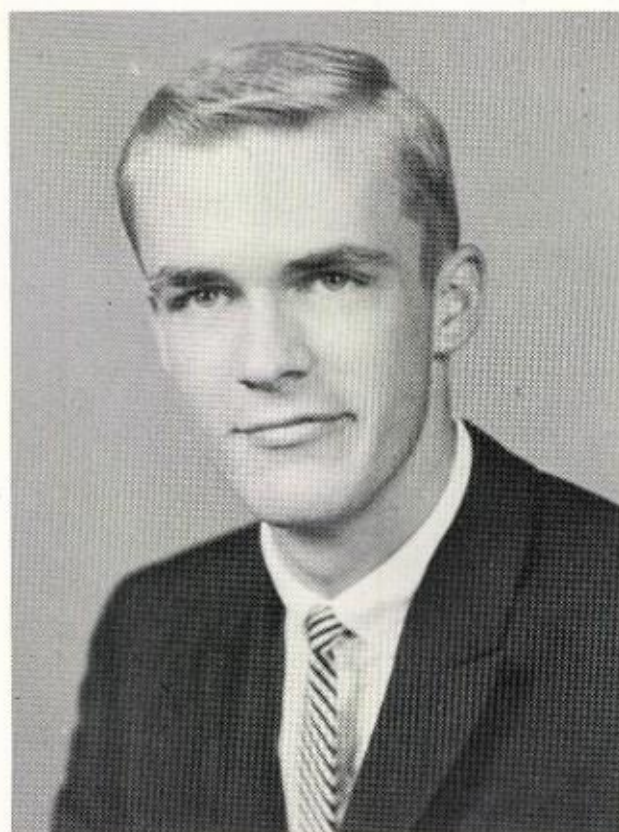

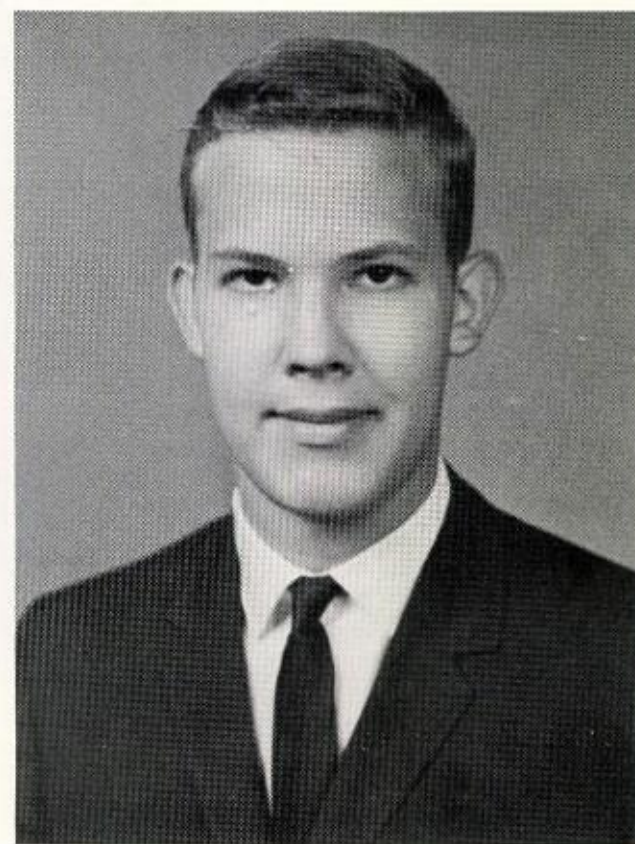

Michael Harter generously devoted his time to both student publications in his capacity of photographer. In his senior year he shouldered a large part of the work involved in the publishing of the CRUSADER. As a member of the school band and dramatic productions, he put in many hours of hard work. Outstanding as a student, he was a member of the Kapaun Honor Society and Mathematics Club in his last two years.

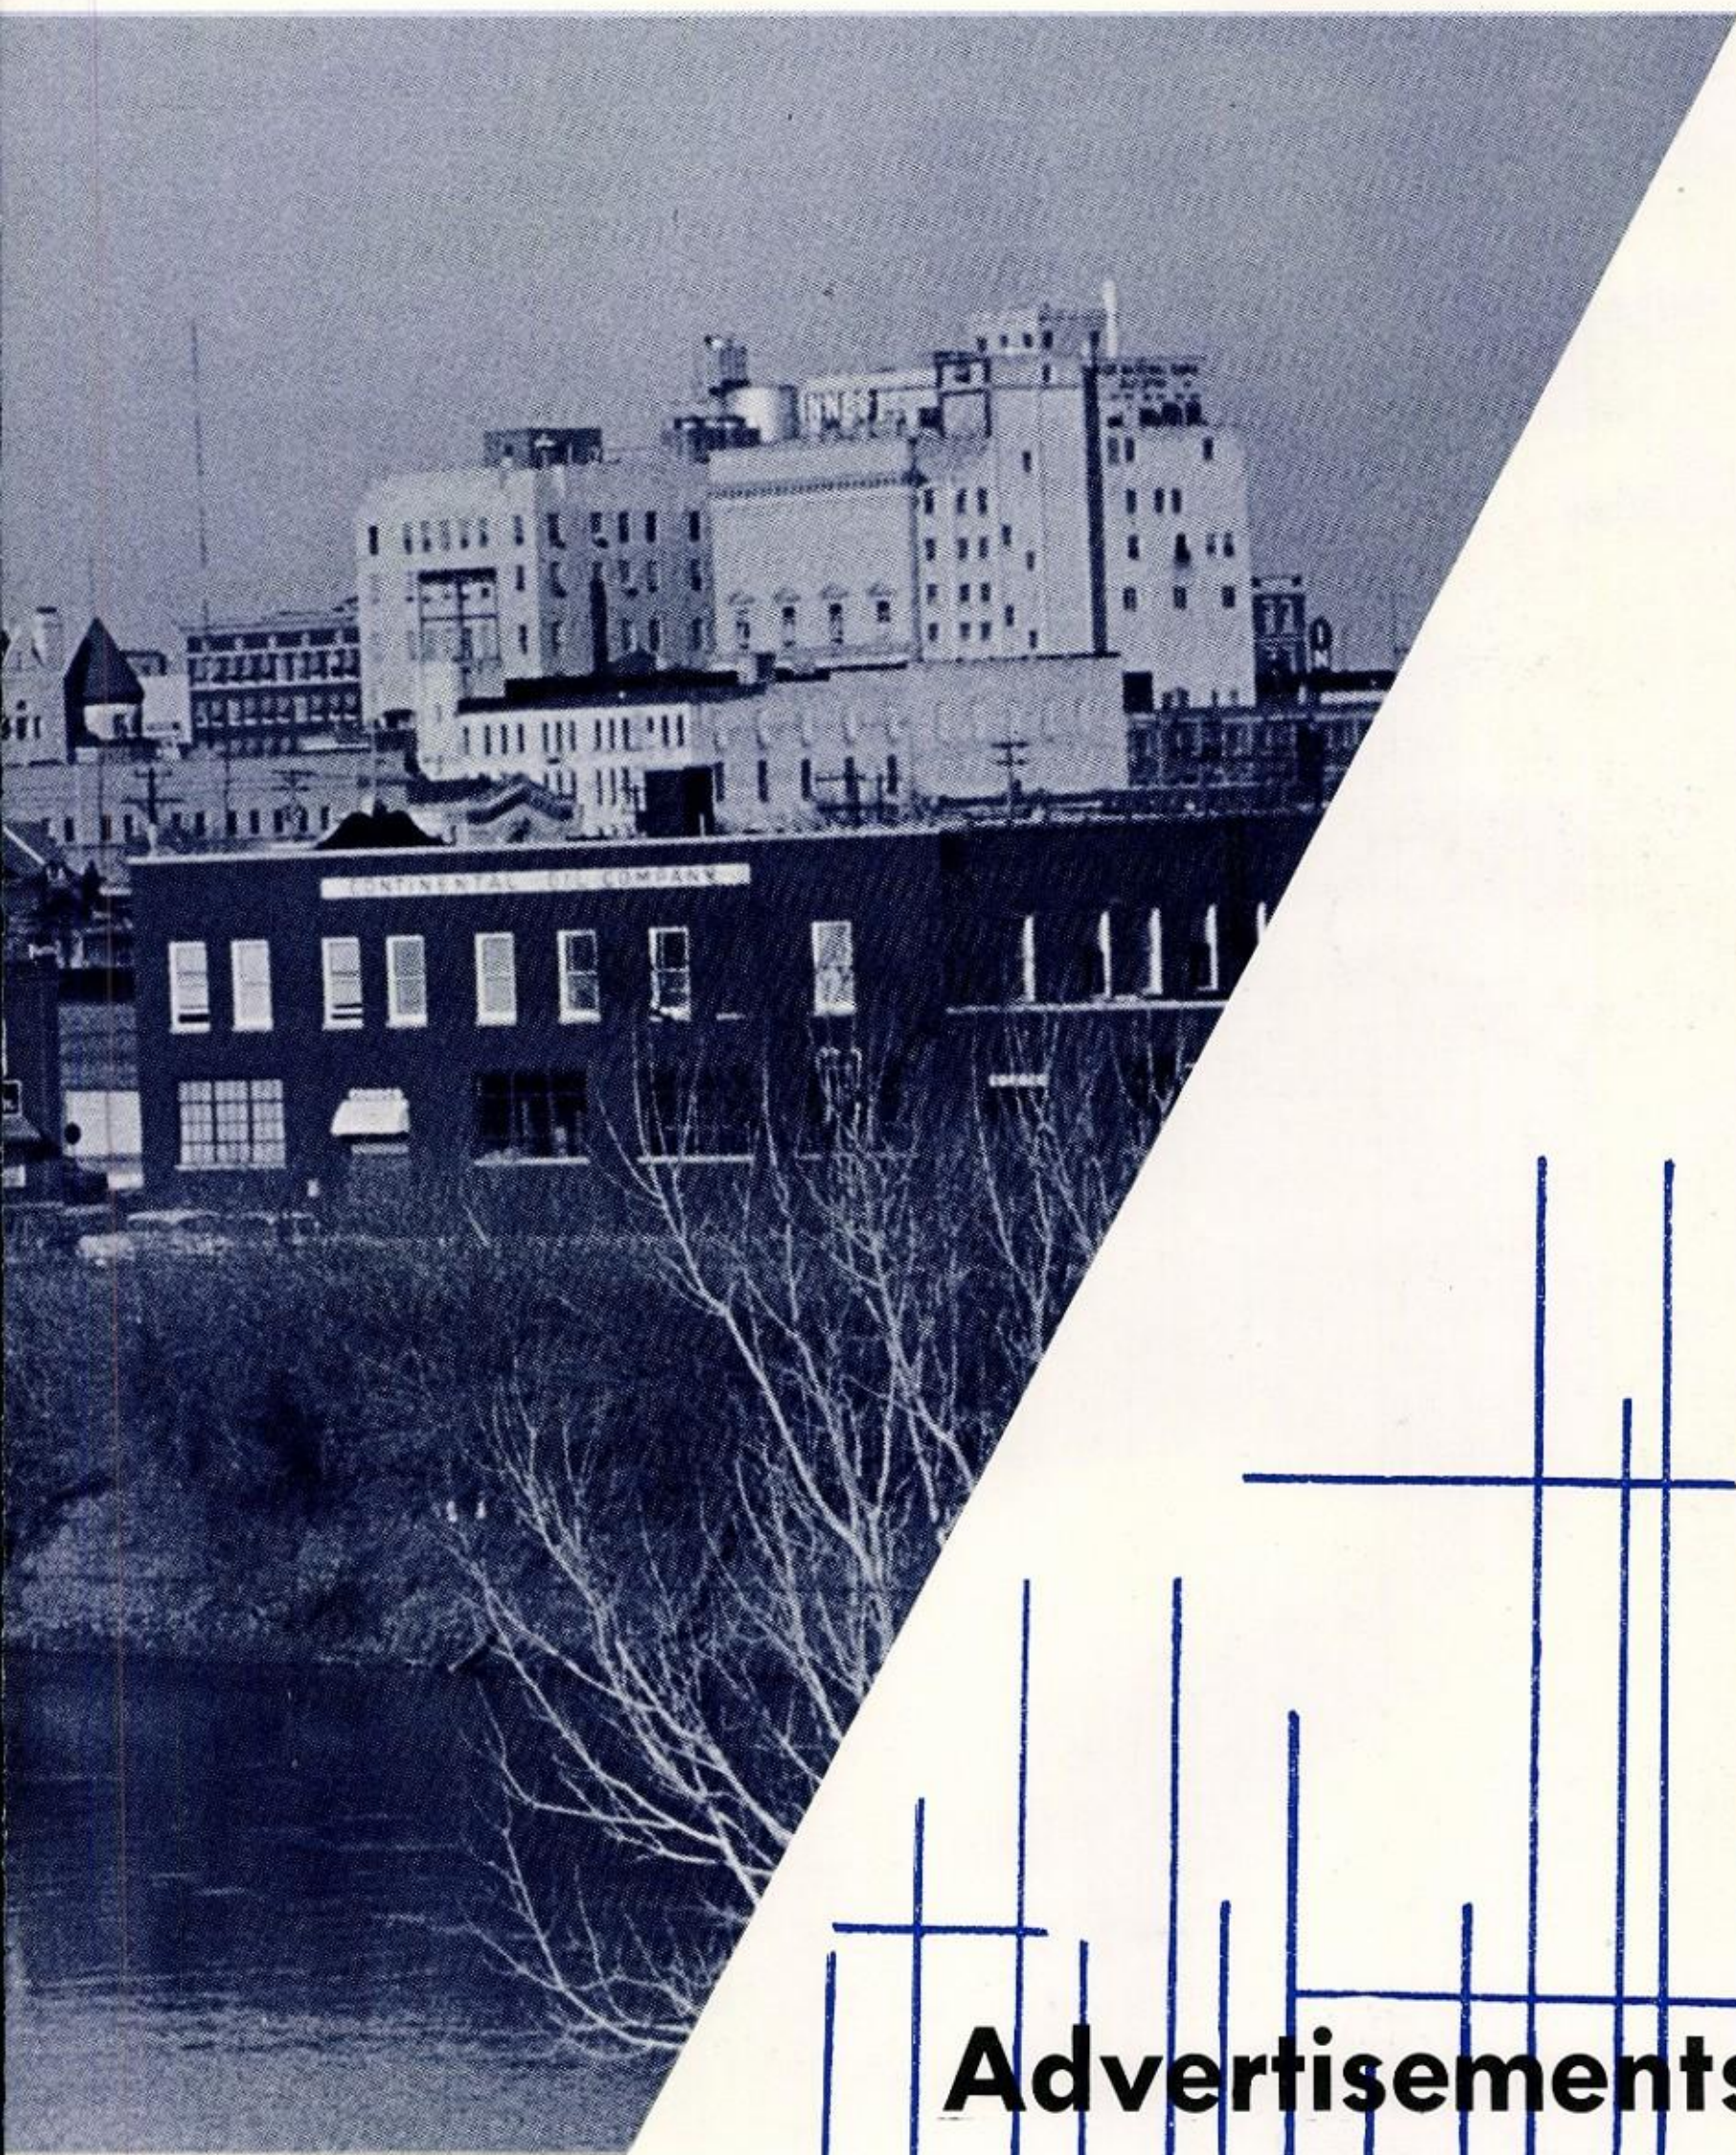

THE YEAR

Karl Becker without a doubt led his class academically speaking. For all four years he has had the highest scholastic average and is a National Merit Scholarship finalist. His outside activities include membership in the school honor society and also the corresponding intra-city organization. His academic record has been one that Kapaun is proud of.

Patrick Weigand graduates as president of the class of 1961. His leadership qualities have been evident since his freshman year. In his junior year, he was also selected to head the diocesan CYO. His work on the school paper and in the dramatic productions has also been outstanding. In his junior year he also boosted school spirit as a varsity cheerleader.
